SCENE AT DERAILMENT. Loaded freight cars spilled their cargo of grain after they wrecked in this derailment of a Crestline-to-Conway Pennsylvania Railroad freight at the west edge of Midland this morning. Some eight cars left the tracks and most of them rolled over the river bank close to the water. Wreck trains were due in from Mingo Junction and Conway. Cause of the derailment was not known and none of the crew of the 1222-diesel train was hurt, according to E. R. Adams of Pittsburgh, division trainmaster.

Authorities Await Notice

DiSalle Warns Of Drive On Gambling And Vice

Operations Imminent, He Declares

Federal, State And Local Officials Due Word Within 2 Days

COLUMBUS, Ohio (AP) — A statewide crackdown on gambling and vice is imminent, Gov. Michael V. DiSalle said today.

He disclosed to newsmen that liquor agents and other state employes have been making reports on all counties since late January.

DiSalle said federal, state and local authorities will be notified within two days to launch cleanup operations.

The thick volume of reports compiled for DiSalle showed evidence of gambling, prostitution, illegal narcotics, still operations and other illicit activities in about 20 of Ohio's 88 counties.

"I am happy to say that Ohio as a whole is relatively a very clean state," the governor said. "In the vast majority of counties there is nothing going on either in gambling or vice. In some of the counties with a historic background, it is going on but even in those counties it has diminished."

State liquor agents will testify Thursday before a Jefferson County grand jury about gambling in which they participated in unnamed casinos.

Neighboring Belmont County also is having a grand jury investigation of gambling.

DiSalle named those two counties as the locale of big-time gambling operations apparently linked to Nevada operators. The disclosure followed demands on local prosecutors to close down the casinos within a week or face public exposure. The governor said he was unable to act directly because liquor agents had found no violation of liquor laws.

Federal agents will be asked to move against what DiSalle termed a surprisingly large number of stills and some illegal narcotics activities. He said the stills were in hilly areas but gave no further identification.

Some cockfighting on which bets were made was found and slot machines were operating in two counties, the reports showed. The governor added that some "fine" eating places were used as fronts for vice operations. Off-track betting on horse racing is widespread in some areas, the reports said.

JOBLESS RALLY. Here is a scene at the Union Station in Washington today as sign-carrying participants arrived in the capital for the giant AFL-CIO one-day national "unemployment mass meeting." The rally, being held in the National Guard Armory, will be addressed by AFL-CIO president George Meany and other labor leaders. (UPI Telephoto)

House OK's 3.2 Beer Tax Hike

Equal Wages For Women Approved By Ohio Senate

COLUMBUS, Ohio (AP)—It has been a long time coming, ladies, but equality between the sexes is just around the corner.

In a couple of days, a bill will reach Gov. Michael V. DiSalle's desk requiring most big Ohio employers to pay women equal wages if they do the same work as men.

The Senate passed the bill Tuesday and sent it back to the House for agreement on minor amendments. From there it goes to the governor for his signature.

The milestone in the elimination of sex discrimination went almost unheralded in a busy legislative day which saw:

The House pass and send to the Senate the second of DiSalle's major tax increase bills—a measure to increase the state tax on 3.2 beer from $1.50 to $2.50 a barrel to produce an extra $2,200,000 annual revenue.

The House passed and sent to the Senate a bill to raise from $2,400 to $3,000 the limit on the annual net income a family may receive and remain eligible to live in metropolitan housing developments.

The Senate insists on it amendments to a House-approved bill setting a higher schedule of fees charged to those who use the services of county offices. The bill will go to a conference committee.

The move to end pay discrimination between the sexes has been made a number of times in the Legislature. The House has acted favorably twice, but always the proposal has died in the Senate.

But Tuesday, only one senator, Robert R. Shaw, Columbus Republican, voted against the bill.

The measure provides for wage recovery through the courts in cases where employers of 10 or more persons fail to pay women the same amount as men for identical work. A Senate amendment provides a maximum $100 fine for violators.

Only two types of employment are exempt from the act — domestic work and farm work.

In committee action:

The House Health Committee recommended passage of a bill to require polio shots for children entering school.

The Senate State Government Committee approved a bill calling for light bulb and airplane symbols on Ohio's 1961 auto license plates to identify Ohio as the "home of light and flight."

Crash Injures 2 Firemen Of Glenmoor Unit

Chester Youth Also Hurt As Car Bounces Off Auto Into Truck

Two Glenmoor firemen and a Chester youth were injured when the youth's car hit another auto then smashed into a Glenmoor fire truck on the Y. & O. Rd. a mile south of Rock Camp Tuesday afternoon at 5:20.

James R. Kimble, 18, of 424 Georgia Ave., Chester, is in "fair" condition today at City Hospital with injuries suffered in the collision with the small fire truck driven by Robert Jones, 28, of Annesley Rd., assistant fire chief.

Jones and Charles Deshler, 15, of 912 Chestnut St., a junior fireman on the truck, were treated at City Hospital and released.

The State Highway Patrol at Lisbon said Kimble, driving north, was unable to avoid hitting the rear of another auto ahead of him, driven by Garry E. Russell, 18, of Smith St., Glenmoor, who slowed suddenly because of the approach of the fire truck which had its red lights flashing.

Kimble's car hit the left rear of Russell's sedan, then carromed into the path of the oncoming fire truck, demolishing the vehicle with an impact that threw Kimble out of the car.

The youth suffered an injured right hip and scalp bruises. Jones was treated for bruises of the chest, possible fractured ribs and pelvic injuries and Deshler was treated for bruises of the chest and arm.

Kimble is the son of Mrs. Fred Mann.

The 1948 Ford pickup truck, which had been remodeled by the volunteers for use on grass fires and minor blazes, was entirely wrecked, according to Fire Chief Kenneth Mills, who said it will be replaced.

Mills said the truck, along with the Forestry Division truck and two cars driven by firemen, had gone to Rock Camp to investigate a reported grass fire. Mills said the directions concerning the blaze were mistaken — the fire was near the McAllister Store near Glenmoor — and the two trucks and cars were returning to Glenmoor.

Mills, who said he had hurried ahead to the fire station, learned the department's other truck had responded to the grass fire alarm. Russell, a member of the Civil Defense fire team, was driving toward Rock Camp in the belief the blaze was there.

Chief Mills said the fire department's ambulance was sent to the accident scene and conveyed the injured to the hospital.

Mills said the truck was insured, and plans are being made to obtain another similar truck with equipment. He said the department spent eight years in providing the

In Nation's Capital

Big Jobless Rally Staged By Labor

WASHINGTON (AP) — America's labor unions stage a giant rally today to drive home their claim the nation's jobless situation is still desperate.

George Meany, president of the sponsoring AFL-CIO, in a prepared keynote speech, charged President Eisenhower's administration with a do-nothing policy toward the nation's economy.

Meany urged the administration and Congress to embark on a broad public works and economic aid program, not as a spending plan but as what he called a sound future.

"It is a safe and sound investment," Meany said. "For the most part the funds invested by the government will be reimbursable. Whatever expenditures are entailed will be more than made up by a tremendous upsurge in tax revenues."

More than 5,000 delegates were expected at the National Guard Armory, biggest hall in the nation's capital. They represent both union officials and unemployed workers drawn from major employment areas in the East and Midwest.

Besides Meany the program called for addresses from Secretary of Labor James P. Mitchell, speaking for the Eisenhower administration; Senate Majority Leader Lyndon Johnson of Texas, and Auto Union chief Walter Reuther, who promoted the rally.

However desperate may be the unemployment situation, some of its urgency was removed by new job data disclosed by the administration Tuesday. This showed a substantial job improvement in March, with employment rising a whopping 1,106,000 and unemployment declining by 387,000.

Both changes were twice as good as the seasonally expected improvements, lifting total employment to 62,828,000 and cutting unemployment to 4,362,000 for March.

Meany minimized the improvement, saying it represented only a little better than expected springtime change. He said even the lower unemployment total is the worst idle figure for the month of March since World War II except for in the 1958 recession year.

The cut in unemployment, the AFL-CIO chief said, was not enough for hope the problem is being solved.

Labor Council May Decide On Tax Move

Referendum May Be Considered Against New City Revenue

Trades and Labor Council will decide at a special meeting tonight whether to seek a referendum at the November general election on the new income tax ordinance enacted by Council Monday night.

The meeting is scheduled at 7:30 in the headquarters of the International Brotherhood of Operative Potters.

A 1958 income tax was killed by the voters after Trades Council initiated an ordinance repealing the ordinance which Council had enacted. In effect a little over six months, the ordinance was repealed, 5,375 to 3,475.

If Trades Council files for a referendum within 30 days of passage of the ordinance, no tax will be collected pending a decision at the polls. Because the tax legislation did not contain an emergency clause, it does not become effective until 30 days after passage and approval by the mayor.

Asked about the procedure in tonight's meeting, Joseph A. Wirters, secretary-treasurer, said the tax question will be discussed generally, then a vote will be taken to decide if Trades Council should start work on a referendum seeking repeal.

A few weeks after the 1958 tax ordinance was enacted, Trades Council launched a movement for

Mayor At Marion Vetoes Income Tax

MARION — The city's newly enacted 6-mill income tax was vetoed Tuesday by Mayor Wendell L. Strong, who said he objected to certain phases of the legislation.

Council enacted the tax by a 7-2 vote, but must wait 10 days before it can vote on overriding the veto. Most of the revenue is imposed for street repairs.

Salem Suspect Flees Deputies In Theft Quiz

City and area police were on the alert today for a Salem man who escaped early this morning from the custody of sheriff's deputies at Lisbon as they planned to question him about a stolen car and some suspicious tools in the auto.

The man was stopped in the car near Monty's Tavern at Kensington by Deputy Herman Wellman, who said the driver did not have an operator's license. Wellman said he directed the man to follow him to Lisbon. However, when they arrived, the man escaped on foot.

Sheriff's deputies and Lisbon police searched for the escapee for several hours this morning without success. The man's wife said he had not been home all night.

Deputies said the auto he was driving was stolen from Zimmerman's parking lot at Salem, and contained tools which may be linked to recent burglaries in the county.

East Liverpool police received a report of a car stolen from Broadway which deputies indicated may be linked with the ex-capee.

George Cornwell of Clark Ave., Wellsville, reported at 11 a. m. his 1956 Buick was stolen 10 minutes after it was parked on Broadway. The license number is L-255-S.

Ware Pact Negotiators Expect Long Meeting

Contract negotiations which opened Tuesday afternoon at Pittsburgh may continue at least a week, it was indicated today by spokesmen for the International Brotherhood of Operative Potters and the U. S. Potters Association.

The meetings are continuing today at the Carlton House Hotel on the IBOP's request for a "substantial" pay increase and other concessions. The union asked reopening of the current two-year agreement, which expires Oct. 1.

Penalty's 1-20 Years

Rifling Vending Machine Brings Burglary Charge

A 24-year-old East Liverpool man accused of forcing open a coin box on a soft drink vending machine to remove an undetermined quantity of money faces a charge in Municipal Court that could lead to a 1-20-year penitentiary term under the same section of state law that covers burglary of a safe or vault.

Edward J. Emler, 1956 Dresden Ave., appeared before Judge George L. Brokaw today on the charge signed by Patrolman Thomas A. Walker of the Special Service Bureau, alleging that Emler broke into a "depository box" of a vending machine last July 29 outside the Chan Gulf Service Station on Pennsylvania Ave.

Emler's hearing was continued until Saturday April 18, at the request of his counsel, Atty. William S. Foulks, who asked time to talk with his client and prepare the defense.

The charge against Emler was filed under a section of the Revised Code that covers "forcing entrance into a safe, vault or depository box."

Assistant Solicitor Richard J. Clark cited the published opinion of an Ohio Court that held that "a wooden money drawer which slides into a wooden counter in the office of a probate judge, and containing a lock, is a depository box within the meaning of the section, making it a crime to force an entrance into such a box."

Although Emler appeared in court, he was not arraigned, as Atty. Foulks moved for the continuance before the charge had been read or his client had entered a plea. Judge Brokaw fixed bond at $500.

Alerted to be on the lookout for Emler, Patrolmen E. R. Furgason and W. A. Devon took him into custody at 2:15 a. m. Tuesday at the Bus Terminal, police said.

Police said Emler was taken into custody after William Earl Price, 23, of R. D. 1, now awaiting Grand Jury action on a series of burglary charges, gave a statement in which he admitted riffling three East End vending machines and implicated the Dresdent Ave. man.

In addition to the theft at the Chan station, Price said he and Emler were implicated in breaking into machines at the L. W. Hamilton station, 1148 Pennsylvania Ave., and the Ray Wilson station, 1147 Pennsylvania Ave., police said. Vending machines at all three stations were reported rifled the night of July 29.

Price has been in County Jail about two months, charged with burglaries at the Speedy Car Wash on Broadway and Litten Tire Sales and Miller Pump Sales, both on the River Rd.

A third man whom Price named as an accomplice in the thefts from the vending machines now is in custody in West Virginia on felony charges, police said.

Tibet Rebels Proclaim Provisional Regime

NEW DELHI, India (AP)—Rebels in Tibet have proclaimed a provisional government, frontier reports said today.

Despite Chinese Communist reinforcements sent to the land of the lamas, the rebellious supporters of the fugitive Dalai Lama were reported still putting up stiff resistance.

The Hindustan Times said rebels ranging through eastern Tibet had cut the main road for Red Chinese supplies at many places.

Grand Jury Continues Studies On Schedule

LISBON — The April Grand Jury continued study of criminal cases today on schedule, County Prosecutor G. William Brokaw reported, and the panel is expected to report Friday.

Eight cases are slated for study Thursday, with 12 witnesses to testify, Prosecutor Brokaw said. The panel began its investigation Tuesday. A total of 23 cases are on the jury's schedule.

Strike Ended At Clay Firms

Port Homer, Lisbon Workers Get Raise

Workers at three brick and clay plants in the Port Homer area and those employed at the American Vitrified Products Co. plant in Lisbon, returned to their jobs today after union and management ratified a three-year contract calling for wage increases Tuesday.

The old contract had expired Saturday, resulting in a walkout of 3,800 members of the United Brick and Clay Workers of America in District 9, idling 26 plants in Ohio, Indiana and Pennsylvania.

The contract gives hourly workers an 8-cent pay boost and piece workers a 2-2 3 per cent increase for the first year, and in the remaining two years of the pact, the boosts are for 6 cents and 2-2 3 per cent respectively.

The contract brings the base pay rate to $1.89 an hour. Completion of negotiations at a meeting in Uhrichsville ended stoppage at the Peerless Clay Corp. at Port Homer, the Larson Clay Pipe Co. at Stratton, and Union Clay Manufacturing Corp. at Empire.

The Larson plant did not resume full operations today because of a shortage of workers, but is expected to be in full swing Thursday, a spokesman said. Apparently, most of the workers had not been notified that an agreement was reached.

26 Spellers Will Compete Thursday For City Crown

Twenty-six spellers were marking time today before Thursday night's bee which will determine the champion of the East Liverpool public school system.

The contest will get under way at 7:30 at East Junior High School.

The pictures of the finalists in the city spelling bee are on Page 12 of today's Review.

Both the winner and runnerup will advance to the district finals at Canton on April 24, with the Canton winner becoming eligible for the national finals at Washington.

The Rev. M. Rudolph Miller of the Trinity United Presbyterian Church will be the pronouncer. The judges will be Mrs. Donald Baxter, Mrs. Joseph Hall and Donald Hancock. They were provided through the cooperation of the City Federation of Parent-Teacher Organizations.

The Blue and White Nonpareil Club again will present certificates of merit to each city finalist.

Arrangements for the bee are being handled by a committee of school teachers appointed by Supt. Ralph W. Betts. The committee is made up of Miss Helen Allison, chairman; Mrs. Nelda Fluharty, Miss Norma Carpenter, Ernest Pletcher and William Wilson.

Here are the spellers and the schools they represent: Janet Everhart and Dianne Briere, East Junior High; Linda Adkins and Edward Golden, Garfield; Ellen Lowers and Marsha Huffman, Glenmoor; Gloria Johnson and Kathy Robbins, Horace Mann; Catherine Jones and Brenda Mackall, Klondyke; Gerald Wilson and Linda Craig, LaCroft; Jill Ogilvie and Kay Eaton, Lincoln; Lynn Nuzum and Barbara Lawrence, McKinley; Rita Morris and Jo Ann Fuller, Neville; Judith Althar and Pamela Hager, Pleasant Heights; Cathryn Mayers and Betsy Broomhall, Taft; Charlotte Cullen and

Lambs Again Target Of Mystery Gunman

LONDON, Ohio (AP)—The mystery gunman whose target is lambs struck again in Madison County Tuesday night.

At least four lambs were shot to death on the farm of George Clemens. The farm had been the scene of a previous raid.

Clemens told Sheriff Herbert Markley the lambs were found in a field along Neil Road.

The unknown gunman, using a .22 caliber weapon, had killed or wounded 55 lambs in the county previously. Deputies have been checking rifles in the area in the hope ballistics tests might lead them to the killer.

Leslie Blumenthal Nominated For Presidency Of Merchants

An unopposed slate of three candidates was presented by a nominating committee at a meeting of the East Liverpool Merchants Association Tuesday, but spaces for write-in votes will be provided when ballots are mailed to members in a few days for the annual election.

The slate is comprised of: Leslie Blumenthal of the Bendheim Shoe Store on E. 6th St., for president; Ralph A. Finley of Smith & Phillips Co. on Washington St. for vice president, and Dayton Allen of the Allen Shoe Store on Washington St., for treasurer.

The present officers are William Kozel, in his second term as president; Thomas Phillips, vice president, and Allen, treasurer. E. R. Chandler is secretary by virtue of his post as secretary-manager of the Chamber of Commerce.

A nominating committee committee comprised of Harold Allison, Edwin Maloney and Jack Steinberg presented the slate at the monthly meeting of the merchants' assocation in the Chamber offices. Nominations were opened from the floor, but none was made. However, ELMA said extra spaces for write-ins will be provided for each office when ballots are mailed.

When the voting has ended, a tellers' committee will be named to make the count and report the result at the next meeting May 5. The new officers will assume their duties at the meeting June 2.

The group also voted to hold a spring outing Wednesday, May 6, including a trip to Pittsburgh by chartered bus to attend a Pirates' baseball game, followed by dinner and a trip around the Point in the river cruiser Gateway Clipper. A similar outing was held last year. An invitation to the "Dutch treat" affair was extended to all Chamber members.

The committee in charge is comprised of Blumenthal, Maloney and Allison.

The association voted to co-operate in the annual citywide spring cleanup campaign, concentrating on work in the downtown area. The ELMA committee will work in conjunction with the Chamber's overall cleanup campaign. The merchants' cleanup committee is comprised of Allison, Charles Averill and John Robins.

One merchants' project will be repainting of the metal trash receptacles donated to the city a few years ago for use on business district sidewalks. ELMA will provide the paint and the city will furnish the labor for the job. To attract pedestrians' eyes, the big metal containers will be painted white or yellow instead of the present dark green.

Richard Kerin, chairman, reported on the first general End-of-the-Month Sale, which was held March 31 under ELMA auspices. Future sales will be held the last Tuesday of each month, extending into the following Wednesday morning, the group agreed.

Robin Roberts, the Philadelphia Phillies great pitcher, was just an average first baseman at Michigan State until baseball coach John Kobs moved him to the mound.

U.S. Cutter, Red Tug Converging In Mercy Mission

KODIAK, Alaska (AP)—A U.S. Coast Guard cutter and a Soviet tug were racing toward each other for a rendezvous today in a tense drama of mercy enacted in the vast, ice-choked Bering Sea.

The well-being of an unidentified Soviet seaman hung in the balance as the cutter Storis and the tug Bditelnyg headed for Akun Bay, about 50 miles east of Dutch Harbor in the Aleutian Islands.

The Coast Guard headquarters reported a message from the Storis said it had contacted the Soviet trawler Pischavaya Industria by radio and was told the injured seaman had been transferred to the tug.

The trawler asked for aid Monday, saying one of its crewmen had tumbled into a hold, breaking both arms and legs.

However, the Coast Guard said a Navy interpreter aboard the Storis, identified only as Lt. Cmdr. Kosnik, had spoken to a ranking officer aboard the Soviet trawler who said the seaman had no broken bones. Kosnik said he was told the seaman was unconscious, probably suffering from a brain injury.

Two Letters Tell A Story

We wrote a letter to the governor of West Virginia several weeks ago. A reply has just been received.

Since the letters tell a rather forceful story in themselves, they are reprinted below.

The following is the one sent originally to the governor at Charleston:

Gov. Cecil H. Underwood
Charleston, W. Va.
Dear Sir:

We have been receiving inquiries and complaints from some of our West Virginia readers about activities at Club Paddock on U. S. Route 30, east of Chester, W. Va.

A gambling room reportedly is being operated in addition to a legitimate restaurant business.

The Review has raised the question of the club several times editorially. It is not our intention, however, to assume the role of a "private eye", the feeling being that law enforcement should be left to the proper authorities. Up to this time, neither the Hancock County sheriff's office nor the West Virginia State Police have given any indication that they intend to act.

Therefore, firm in the belief that there is cause for investigation and with the knowledge that your administration is vitally concerned with the well-being of the state, we are referring the matter to you for consideration.

Club Paddock, incidentally, is situated across the highway from former Club 30, which at one time was raided by West Virginia State Police and its gambling equipment confiscated.

Sincerely,

Arthur T. Thomas
Editor
East Liverpool Review

This is the answer we received:

Mr. Arthur T. Thomas
Editor, East Liverpool Review
East Liverpool, Ohio
Dear Mr. Thomas:

Thank you for your letter which arrived during the closing days of the Legislature. Because of the tremendous burden of legislative responsibilities, I have neglected my correspondence.

I appreciate your interest in law enforcement in the Northern Panhandle of West Virginia and the information which your letter suggests.

Very sincerely,

Cecil H. Underwood
Governor

Upon thoughtful reflection, we are left with this conclusion:

The governor has a file-and-forget drawer in his desk.

In The Pinkest Of The Pink

Even those observers who are noted for taking things in their stride are ready to admit that criticism of the United States in the British press is getting out of hand.

Criticism of President Eisenhower's role in international negotiations is so severe that it makes U. S. criticism of Anthony Eden's role in the Suez Crisis in 1956 seem mild by comparison.

It was never more than hinted in this country that the British prime minister was in less than the pink of condition, or that if he were in anything less that he had fumbled the reins of leadership for that reason.

British newspapers, however, including some that customarily reflect the viewpoint of the Conservative party, are saying openly that the United States simply does not have the physical and mental resources in the presidency to cope with the crisis in Germany.

It is noted, moreover, that the Conservative government and its prime minister, Harold Macmillan, have not been offering rebuttals to criticism, whether it is made on the right or the left of British politics.

The United States admittedly has a problem that has been worsened by the illness of its secretary of state, though Mr. Dulles far more than Mr. Eisenhower had been under heavy criticism in Britain.

But there is beginning to be a question about criticism of this nature. What modern leaders, if any, have been impervious to jibes that their age and condition of health have impaired their ability to think straight?

Even Nikita Khrushchev, that most dynamic of hearty fellows, is reported to be having dizzy spells. Joseph Stalin, as his associates subsequently disclosed, lived beyond his capacity to be rational. Franklin D. Roosevelt was the victim of failing health. Winston Churchill had to endure the handicap of illness. Adolph Hitler was a challenge to the psychiatrists. Woodrow Wilson, as every American schoolboy knows, was handicapped by physical deterioration. There are those who say West Germany's Adenauer is too old to be useful, and there are those who doubt the wholeness of France's President De Gaulle.

It is an imperfect world whose affairs are in the hands of men subject to the frailties and ills of the human race. Not to be in the pinkest of the pink is not an affront to statesmanship but an acknowledgment of mortality.

Dwight Eisenhower, it is reasonable to assume, is in as good health and fettle as possible under the circumstances, which puts him on an even footing with all the other figures of the moment in international negotiations.

His countrymen have his word for it that he will turn over his job to Vice President Nixon if he feels unable to acquit himself on its responsibilities — and his word is enough.

A Wedding Of Note In Tokyo

Among the guests who have swamped Tokyo for the wedding of Crown Prince Akihito and Michiko Shoda is Mrs. Elizabeth Gray Vining of Philadelphia, the prince's tutor from 1946 to 1950.

Her presence is deeply symbolic.

The new Japan that is wildly astir over the royal wedding bears the imprint of American postwar influence. But the old Japan that preceded it had borne an American imprint, too. Unfortunately, the original imprint was distorted into something that turned out to be as hateful to most Japanese as it was damaging to most Americans — a wildly expansionist cult of militarism.

In the violent reaction that followed Japan's military defeat in 1946, Japan went through an experience of revulsion and reorientation as violent as that which had followed its opening to outside influence by Commodore Perry in 1854. The royal wedding this week is one of the dramatic consequences of the postwar reaction.

The groom's father, Hirohito, disavowed his family's ancient claim to divine origin through the sun goddess Amaterasu in a historic statement on Jan. 1, 1946. He became at that time a constitutional monarch—"symbol of the state and of the unity of the people, deriving his position from the will of the people." This was a break with a legend that had run on for some 2,600 years. It was a break with the militarists who had exploited the legend to rule Japan through the Mikado.

It became possible thereafter for the crown prince to marry a commoner if he chose—and he chose. The royal wedding has had no counterpart since the marriage of Elizabeth and Philip, which it somewhat resembles in its impact on the Japanese mind.

Thousands of Japanese couples are being married this month, to be identified with the royal couple, though April is not a popular month for weddings in Japan. Everything they do, everything they say, everything they wear is being reported. A million persons will watch the wedding procession.

And among them will be the quiet lady from Philadelphia — Mrs. Vining, tutor of the next emperor of Japan.

The Once Over

By H. I. Phillips

All battles against American Indians are not against U.S. cavalry on TV. The Red Man is becoming as warlike in real life as on "Wagon Train."

They are as sore at President Eisenhower as at Ward Bond. American Indians are now holding conventions, calling for own "summit" meetings and planning to take their case to United Nations.

They have a case. As original Americans, they can't see the justice of Washington dishing out billions to nations on distant continents while they scrimp along on reservations. How under-privileged can you get?

IT SEEMS IRONIC that the average man, enjoying blessings of a land he took from the Red Man, is less concerned about him than about people so far away they can be seen by him only in travelogues.

When he reads that tribes have met to demand more consideration he is apt to think it a publicity stunt for a new movie featuring Mudjekeewis and "Shores of Gitchee Gumee by the Shining Big-Sea Water."

But tribes are in earnest. It could be embarrassing if an Indian delegate to the U.N. would rise during a fiery speech demanding fairplay for underprivileged peoples and ask, "How about me?"

Indians of Tuscarora, Mohawk, Seneca and other tribes held their convention in the Miami area, showing they are not as old fashioned as forefathers who donned warpaint and held powwows without Gulf Stream breezes.

They convened on the Seminole Reservation which is not far from cabanas, swimming pools and bathing beauties. (If they took a look at the white man on vacation in the Miami Beach zone, they could have fled to wigwams crying "This is civilization!")

They are hurt by brushoff by Ike in Washington. Ike refused to see them. He has enough "Indians" around him and is surrounded by scalping parties in politicians' clothing.

Hiawatha would lend color to the U.N. "painted like the leaves of autumn" and asking:

> Ye whose hearts are fresh and eager,
> "Who believe that in all ages
> Every human being is human;
> That in even savage bosoms
> There are longings, yearnings, stirrings,
> Give a break to the poor Red Man."

There are 67 waterfalls in the world which are higher than Niagara Falls, 23 of these being in North America, 23 in Europe, 10 in South America, 6 in Africa, 3 in Asia and 2 in New Zealand.

Dropping The Pilot

Anti-Crime Move Nears Goal

By Victor Riesel

Three years and several nights ago four goons conspired to hurl acid at a newspaper columnist. Today he is blind. Justice is not.

Victor Riesel

That acid touched off a chain reaction against the underworld's second government.

This very minute four score federal and local grand juries, hundreds of FBI agents, some 40 Senate probers under Robert Kennedy and at least two regional district attorneys are X-raying the mobs.

Newest, and for the moment the most dramatic is the Justice Department's anti-trust drive in 30 industries. It is directed by a still little known 32-year-old crusader, Robert Bicks.

It can be revealed for the first time that in Bick's Justice Department headquarters is a startling report. It is a series of profiles of these 30 industries which have been infiltrated by a network of crime syndicates.

THE REPORT was prepared over an 11-month period.

Though still an inner sanctum secret, it can be revealed that the report lists names, describes terrors and profits squeezed out of legitimate businessmen and details the most fantastic power twisted out of a network of unions.

It is the work of no one man but was put together by the U.S. attorney general's "Special Group On Organized Crime." This is directly by a will-o'-the-wisp lawyer, Milton Wessel, whose allergy to interviews defies modern scientific reportorial anti-biotics.

Behind this story is the use of a simple technique. Instead of trying to Sherlock Holmes the individual racketeers, the attorney general's special group knifed through the nation's industry. They didn't try to get "their man."

THEY FIRST called in specialists from the enforcement agencies of some 70 federal bureaus. From them they gathered all the available information on areas infested by the mobs' money men. They consulted such dedicated experts as Virgil Petersen of the Chicago Anti-Crime Commission and The Los Angeles' police intelligence unit chief, Capt. James Hamilton.

They then came upon the 30 industries which are infested. Starting at the top, they peeled off layer after layer of muscle money. This they wrapped up in one report a little while ago.

Some digging reveals that the report goes into garbage hauling, imports of certain foods, construction in some areas, motel and hotel businesses, juke boxes and coin vending machines, general trucking, dining and some entertainment enterprises, liquor, wine and beer distribution, laundry and linen supply units and, of course, the waterfront. All this in addition to the garment trucking business now being probed by the April 1 New York Grand Jury, which is not fooling at all.

THE FEDERALS predict indictments in many of these fields. They don't talk because they want no publicity. There's no sense guessing. And you can't base much on simply the number of Grand Juries setting on special anti-trust probes.

There are many more investigations now being handled for the Justice Department by the Federal Bureau of Investigation.

There is some guidance, of course, in a detailed reading of the crusading record of Sen. McClellan's committee. And in the fact that there are or have been in the very recent past anti-trust grand juries sitting in New York, Omaha, Buffalo, Scranton, Cleveland and Los Angeles. Soon there'll be one in Miami Beach.

What impresses observers is that the anti-trust division has a record of winning some 96 per cent of the cases it heaves into court.

Anti-trust probing is meticulous because of the vast amount of paper work required by such actions. Furthermore, such cases really need no witnesses. It's all in the records. You can rub out a witness but you can't really erase a record.

Apparently that gracious lady called Justice also can see through her blindfold.

Between You And Annihilation

By James Marlow

WASHINGTON

In a world where death and devastation could strike in a few minutes, you might like to see what stands between you and possible annihilation by the Soviets.

The following picture was outlined by Gen. Thomas S. Power, who talks with the detachment of a surgeon explaining how to open an avenue into the heart.

Power is chief of the Strategic Air Command whose long-range bombers and nuclear bombs, at bases here and abroad, have a double mission: to discourage an attack or, if the Soviets try it, to eliminate them.

The general emphasized the importance of an early warning of a Soviet attack to a congressional committee with this little clinical example about his bomber base at Thule, in northern Greenland.

"I like to tell the commander at Thule that he will probably be one of the first to go if we get into a war but that there is one thing I would like to know from him, and that is when he went. This might be vital intelligence."

Power commands not only the strategic bombers but the intercontinental ballistic missiles that this country will produce. For some time American ICBMs will be under a handicap.

They will be liquid-fueled, need large crews, and have to be anchored in one place. Once the Soviets know where they are, and war starts, they could be destroyed before they got off the ground.

Power's solution: bury the missiles deep in the ground in concrete shelters which would resist everything except a direct hit.

Power sounded happier talking about the more distant future and the solid-fueled ICBM, the Minuteman, which needs only a small crew, could be mass-produced, and can be moved around. It doesn't have to be anchored.

The general envisioned the day when the Minutemen, in bunches, could be shipped around on trains, moving constantly, so the Soviets could never know where to shoot at them.

He emphasized two things: that this country right now must depend on radar for its early warning and on its six-jet B47 bombers to discourage a Soviet attack and hit back if one comes. Later there will be the ICBMs, too.

But Power cannot be described as completely happy about radar. "Radar," he said, "is a real fine device. The only trouble with it is that it sees too well. It sees things that are not there."

This raises a problem. Whether or not what the radar sees is real, a man in command of bombers must assume they are real. He gave an example of what he meant.

Suppose the radar men called him and said their screens had picked up 1,000 objects heading for the United States and that they were missiles. Instantly, he could order his planes into the air and away.

Between the time they took off and were getting near their target he would have perhaps one hour and a half to learn for sure whether those blips on the radar screen were really Soviet missiles.

If it turned out radar had seen something else besides Soviet bombers or missiles, Power would still have time to call back his bombers. They wouldn't attack unless he said so.

But suppose radar picked up those 1,000 objects which were thought to be Soviet missiles and the general wanted to hit back with American missiles. He couldn't push the button sending them on their way.

The reason: once on their way, they couldn't be called back. He would have to refrain from turning the American missiles loose until he knew for sure this country was under attack.

Comfort For Kremlin

By David Lawrence

British Press Misinterprets U.S. Actions

What kind of "iron curtain" is there between Britain and the United States? Do the British correspondents stationed in this country send back home an objective story of what's been happening in the American government — or, if they do, is it possible that certain British newspapers ignore the facts and are unaware that they are breeding ill feeling between the two countries?

David Lawrence

These questions are important because it is so desirable for the British and American governments to work together nowadays lest there be an enlargement of the already sizable section of public opinion in America which believes that "foreign aid" is superfluous and that "mutual security" is merely an excuse for pouring out American billions.

The latest example of a serious misunderstanding was reported widely last Saturday when the Associated Press distributed throughout this country a dispatch which said in part:

"Do American generals talk too much? A British newspaper claims they do and thus imperil the world's hopes for peace. . . .

"Britain's largest daily, the tabloid 'Daily Mirror' which leans toward Labor party (socialist) views, devoted its entire front page Friday to an editorial attack on 'Meddling American Generals.'

"The 'Mirror' has not been alone in its sentiments. The day before, the Laborite 'Daily Herald' and the Liberal 'News Chronicle' reported the British government planning to protest recent testimony before Congress by Gen. Nathan Twining, chairman of the U.S. Joint Chiefs of Staff and Gen. Thomas E. White, U.S. Air Force chief of staff, about the war readiness of Allied rocket bases in Britain."

IS IT POSSIBLE that the British people were not informed previously by their correspondents in New York and Washington that the Eisenhower administration had been accused week after week by prominent Democrats in Congress of letting the Soviet Union "get ahead of us," including charges that the "missile gap" is dangerous and that the President has been sacrificing the safety of his country for the sake of "budget balancing?"

Have the newsmen from Britain told their editors and the British public that this barrage had to be answered publicly and that convincing or reassuring words could come only from the military chiefs in the American government? Is it possible that the British newsmen do not understand the currents of American politics? They surely must know partisanship isn't much different on this side of the Atlantic from what it is in the battles between the British Socialist Labor party and the Conservatives in England.

American newsmen in London have reported faithfully to the American people that Prime Minister Macmillan has had to touch on many topics in his debates in the House of Commons that seem unfortunate from an American standpoint — such as "thinning out" of Allied troops and "disengagement" — but this doesn't result in front-page editorials denouncing him for "talking too much."

There are differences of opinion expressed in the press here, and some concern, too, that the British Socialist Labor party, like its conservative counterpart under Chamberlain, may drag America into another world war through the paths of appeasement. But certainly there is no objection voiced to the fullest expression of views by British officials and the press.

Indeed, there has been in this country even a recognition of the fact that Prime Minister Macmillan is in a tight spot politically and must maintain a "flexible" position with respect to the "summit" conference, for example, because he is under such heavy political attack by the Socialist Labor party and its "left wingers."

Some of the Socialist Laborites object to American military bases in Britain.

THIS IS VERY comforting news always to the Soviet press, which displays such protests prominently.

Do not the British critics realize that the worst thing that could happen to Anglo - American relations would be to stimulate the isolationists in America by telling them that only through "intercontinental missiles" and the "fortress America" concept can the safety of the United States be assured?

Have the British people not been told by their correspondents in America that economic aid, ever since the Marshall Plan was launched, has received its strongest support from those people in this country who think that overseas bases are important to the safety of the United States?

Why should the Socialist Labor party in Britain want to antagonize American public opinion by creating doubts as to whether, in an emergency, the bases would be available for use? For, only if they are, can retaliatory blows be struck from Britain as well as from other bases in Europe, thus reducing the value of intercontinental missiles to the Soviets.

To cry out that the American generals "talk too much" is misdirected criticism. Rather it should be directed to all those politicians who not only talk too much but who, when they see a political advantage to be gained, actually appease too much and thus pave the way for an enemy to miscalculate on the West's being too weak or too scared to resist — the very way that world wars in the past have been provoked.

A Thrill To Come

By Truman Twill

Newspapers are in the midst of a special campaign to remind readers of the fun of living in an automobile era.

The purpose is to boost the industry whose mastery of manufacturing made the fun possible. Unfortunately, automobiles have become so nearly perfect that people are tempted to take them for granted.

Nothing good should be taken for granted; it should be appreciated. Otherwise its producers may run out of incentive to make it better.

None of us who remembers when automobiles were set up on jacks in the winter because there was no point in trying to run them without high-test gasoline, anti-freeze, puncture-proof tires, heaters, self-starters and protection from the elements can take the modern automobile for granted.

We are endlessly grateful because it nearly always starts, rarely lets us down, is snug inside and a pleasure to handle even when everything is against it. And it isn't necessary to be a pensioner to remember how and when the improvement evolved.

They were coming along slowly before the Great Depression of the '30s, but it was during the depression years and later, after the interruption of World War II, that the automobile became complete. Perhaps it grew too large in the process; that is debatable.

But it might have gone to the other extreme and become too small, as it did in the Old World, where distances are short, roads are inadequate, taxes are exorbitant and income unevenly distributed.

In the United States, automobiles are designed to be in proportion to the size of the country and the energy of the people. This does not mean there is no place for small ones. It means only that small ones will not supplant big ones, unless something goes wrong.

No one ever will need to tell me to appreciate the modern automobile. I was remembering the cars in my life the other day from the first to the latest — and the thrill of the next one will be as great as the thrill of the first one.

It was a "hard-top" Reo sedan with removable window frames that could be taken out and stored in summer. Their place was taken by a set of side curtains that were stored in a cupboard in the top and slipped into place by means of two wires running along each side. Snap fasteners held them secure. I remember that car particularly, because one year right after it had been redecorated by a carriage painter who dolled it up in Brewster green with scrolls in canary yellow I drove it into the back of a dump truck parked next to the curb with no light on a rainy night.

That was my first accident and to this day the only one I've ever had in which damage was done.

Automobiles then had windshield wipers operated by hand with a handle above the windshield. I was too little to reach the handle, hence the collision. I couldn't see. Today, you push a button and windshield wipers go flickity-flip, flickity-flip until you don't need them any more.

No, it will not be necessary to tell me to appreciate the modern automobile. I watched them evolve from horseless carriages, and the best is yet to come. The biggest thrill of my auto-era life will be the next one.

Vienna, home for one-quarter of Austria's population, is now planning to build a subway system to relieve transportation difficulties.

Bicycle-Auto Collision Injures City Youth, 12

A 12-year-old East Liverpool boy is in "good" condition today at City Hospital with a possible fracture of the left thigh suffered early Tuesday afternoon on E. 6th St. when the bicycle on which he was riding was involved in a crash with a halted auto.

Carl Mitcheson, son of Mrs. Shirley Mitcheson, 113 W. 5th St., was injured in a collision with a 1955 sedan operated by Jean Vallera, 22, of Dairy Ln., police said.

The woman driver told police she halted in a line of traffic to discharge passengers when two boys riding a bicycle east on E. 6th St. attempted to pass between her auto and parked cars at the south curb. The bicycle ran into the auto door which was being opened on the passengers' side, she said.

The boy was taken to a physician's office and then removed to the hospital in a police cruiser.

3 Men Escape Injury In Spectacular Crash

Three Wellsville area men escaped serious injury in a spectacular accident which demolished their car Tuesday night about 9:30 on Clark Ave. near 25th St., Wellsville.

Police said Edward Farnsworth, 23, of Pleasant Valley Rd. lost control of his 1955 sedan as he drove onto Clark from the Yellow Creek super-road. Farnsworth attempted to dodge a rock in the road, police reported.

The car then sideswiped the side of the McLain Fire Brick Co. building and the impact rolled it over on its top. The car then skidded down Clark for about 50 feet and crossed to the opposite lane.

The vehicle then struck the curb and righted itself again and continued on at least another 500 feet where it came to a halt against a utility pole. Police said it was 400 feet from where the car went out of control to where it hit the pole.

None of the parked cars in the vicinity was hit. Farnsworth was treated at City Hospital for a possible fracture of the left shoulder and lacerations of the forehead. His brother, Harold Farnsworth, also of Pleasant Valley Rd., was not injured. Another passenger, Harry Andrews of Pleasant Valley Rd., was examined at the hospital.

Youngstown Driver Cited Following Crash

Clifford A. Kirkland, 45, of Youngstown was cited following a collision between his tanker truck and an auto driven by Larry Fitch, 19, of LaCroft on Route 30 at Irish Ridge Rd. Tuesday afternoon at 2.

The State Highway Patrol said Fitch, headed south in a coupe, made a turn, and his car was struck in the rear by the tanker truck. Kirkland forfeited $16 bond this morning in Municipal Court when he did not appear for a hearing on a charge of failure to halt in the assured clear distance.

Referendum

(Continued from Page One)

the initiative legislation seeking repeal. It was barred from seeking a referendum because of the emergency clause in the 1958 ordinance.

Council purposely enacted the present legislation on three readings and without an emergency clause to leave the way open for any opposing force to seek a referendum, holding up collection of the tax pending the voters' decision.

If the group decides to seek a vote of the people, one of its first steps will be to obtain legal counsel to draft the petitions that will be circulated. It also will be required to file in the city auditor's office a copy of the ordinance to be put to a vote, plus official notice of the fact that a referendum is being sought.

After the petitions are circulated, law requires they be filed with the auditor, who determines if there are enough valid signatures to warrant a ballot place.

If he finds the petitions "sufficient," as the law phrases it, he certifies the question to the Election Board for a ballot place.

Under referendum procedure, the question on the ballot will be put more briefly and clearly than was possible in the 1958 election.

In the initiative test last year, voters acted on adoption of a new ordinance to repeal the income tax legislation. Because of that procedure, a "yes" vote on the ballot actually was a vote against the tax, while a "no" favored retention of the tax.

But in a referendum the ballot simply poses the question if a certain ordinance — designating it by number — shall be adopted. That allows the voter to mark his ballot "yes" if he favors the tax and "no" if he opposes it.

Council Asks Cruiser Bids At Wellsville

Legislation authorizing bids for a new police cruiser, for city supplies and for covering the city dump were ordered by Wellsville City Council in a brief session Tuesday night.

Safety-Service Director William S. Robinson asked the three pieces of legislation for the next meeting. Funds for a new cruiser were made available in the annual appropriation adopted last month.

Supplies needed include gasoline for all vehicles and lime and alum for the filtration plant. The city's dump off Route 39 is covered with dirt by a contractor and new bids are received annually.

In other business, councilmen tossed Robinson a few "bouquets" for his work in the past month. Councilman Richard Brown, property committee chairman, commended Robinson for cleaning of 18th St. Councilman Robert Taggart commended the director for the grading of Commerce St. between 18th and 20th St. The people said it was a very good job, he said. He asked when oil would be applied to the section.

Robinson said this would be done late this month. He also said the painting of curbs, safety-walk lines and the center line will be done when the weather permits.

Councilman Ancel Moore also requested all residents to co-operate with the city by cleaning up vacant lots. Mayor William Shoub has lifted the burning ban for two weeks and this will give residents an opportunity to burn the refuse, he said.

Moore asked that a meeting be set with Shoub and Robinson and the street and light committee to discuss the annual resurfacing and seal-coating program for streets.

Moore said his committee still is studying a request from Angelo Georgetti to make a driveway over sidewalk on 18th St. to get into his river-rail terminal.

Council gave permission to the Babe Ruth League to construct brick dugouts at Central Park.

A letter was sent to the Army Corps of Engineers, stating Council does not believe it is the city's responsibility for the flooding of the property of Homer Sims near the pondage area at McQueen's Run.

The cellar floods when water backs up into area because it is lower than the water level, Brown said. Council met last month with Vincent Walsh of the real estate division of the engineers. He suggested that the property be purchased jointly by the city and the engineers on a 50-50 basis. Other property in the area had been purchased on a 90-10 basis with the city paying the lesser amount.

"Student Government Day" was set by Council in a resolution for Saturday, April 18. A letter from the American Problems Class at Wellsville High School was read, asking that the day be set aside to allow students to take over city offices. Charles Wilfing is the instructor. Several members of the class were in the audience.

A letter protesting any city income tax was read from Local 539 of the United Brick and Clay Workers Union. It was signed by Thomas F. Miller, secretary. Miller said that the membership of over 200 voted at a meeting March 25 to oppose any such tax. Local 24 of the IBOP also has notified council it will oppose a wage tax. Council has never openly discussed adopting such a tax.

The mayor's report for March showed a total of $1,408.13 collected in fines and fees.

The Water Pollution Control Board of the State Board of Health reminded Council by letter that its permit for dumping raw sewage into the Ohio River will expire May 21. Robinson said there is no need to make a new application as the sewage treatment plant should be in operation by that time.

The Jones Act in 1917 granted American citizenship to inhabitants of Puerto Rico.

Ohio House Unit Backs Compulsory Polio Shots

By Our Own Correspondent

COLUMBUS — The Health Committee of the Ohio House of Representatives Tuesday approved compulsory polio shots for Ohio school children.

But it left the way open for using new types of vaccine that may be developed to replace the Salk serum.

The committee, headed by Rep. Vernon G. Hisrich (D-Tuscarawas), voted 8 to 3 to recommend a bill favored by a three-man subcommittee that applies only to polio.

This was a reversal of the subcommittee's report of three weeks ago that would have included four other communicable diseases.

In taking that stand, the smaller group had accepted the "second choice" offered by the state Health Department and the Ohio State Medical Assn.

They testified in early hearings on the measure that they preferred to maintain the present law, leaving the decision to local boards of education.

The present statute does not spell out specific ailments but applies to any communicable disease.

The bill as recommended recognizes recent reports of progress in developing vaccines which may prove to be more effective, of longer duration, or easier to administer than the Salk vaccine.

The measure says any means of polio immunization may be used if it is approved by the Department of Health.

The only exemptions permitted by the legislation are for children whose parents or guardians object to immunization as a matter of principle. Written declarations are required of such parents.

Brush Burner Fined For Lack Of Permit

Ralph Hall of Columbiana was fined $100 and costs Tuesday by Jefferson County Judge Helen Huntsman of Toronto on a charge of burning brush without a permit. He was cited April 1 for kindling a fire near Monroeville March 24.

Robert McIntosh of Scio, area fire warden, said Hall obtained a permit after he kindled the fire from a deputy warden who did not know the blaze had occurred. Constable Nobel Lewis of Jefferson County summoned Hall on a warrant issued by Judge Huntsman.

City Airport Recommended

The Federal Aviation Agency at Washington said today that in the next 4 years, $35,425,000 should be spent on improving airports and building new ones in Ohio—including East Liverpool and Salem.

The recommendation is part of an over-all plan for building up the nation's airports at a cost of $1,285,394,000.

The agency stressed that its recommendations are merely a statement of need.

Initiative for all projects would have to be taken locally before Congress could consider putting up part of the money.

Over the 4 -year period, 1959-62, the agency says, $26,969,000 should be spent to improve commercial airports in Ohio and $8,456,000 more should go for the smaller non-commercial types.

Only over-all figures for the state were given. No money breakdown for individual airports was listed.

Trucker Cites Brakes In Collision With Car

LISBON — Thomas N. Reynolds, 26, of Hanoverton R. D. 1 was charged with reckless operation after his truck hit a parked auto on W. Lincoln Way Tuesday afternoon at 4:20.

Police said Reynolds, pulling out from Crosser's Service Station, hit the right side of a car owned by Frank W. Guy, 34, of 320 W. Maple St. Reynolds said the air brakes on the truck failed.

Aliens in the United States are not eligible for old age assistance in some states.

County's Agricultural Funds Use Clarified

LISBON — A total of $30,200 was authorized for agriculture purposes in Columbiana County's 1959-60 appropriations by commissioners early this month, not just for the Agriculture Extension office as reported by the Review.

The appropriation for agriculture included $20,000 for the Agriculture Extension office, $1,600 for the Agriculture Society, $1,950 for insurance; $450 for brucellosis tests; $1,250 for apiary inspector, and $2,200 for fox bounties.

Group To Hear Pastor

LISBON — The Rev. Laten Carter of Salem will be guest speaker at the meeting of the Columbiana County Farm and Home Development group Friday in the Agrucultural Extension Service Office at 8 p. m., according to Albert R. Pugh, county extension agent in agriculture. He will discuss mental health and happiness.

Britain Cuts Income, Sales And Beer Taxes

LONDON (AP) — The government cut the basic British income tax rate slightly Tuesday. It also reduced the national sales tax and knocked two pennies (two and a third cents) off the tax on each pint of beer.

Those items were contained in a 1959-60 national budget presented to the House of Commons by the chancellor of exchequer, Derick Heathcoat Amory. The tax cuts are counted on to help Prime Minister Macmillan's Conservative Party in the national elections expected this fall.

The basic tax on incomes was cut to 38¾ per cent from 43½ per cent. The new rate, lowest since prewar, is designed to save taxpayers about 560 million dollars a year.

Miss Lois Salter, daughter of Ralph Salter of Jackson St. and the late Mrs. Pauline Salter, and granddaughter of Mrs. Beth Wagoner, 1048 St. Clair Ave. with whom she resided, became the bride of LeRoy Richey Jr., son of LeRoy Richey, 1120 Oak St., and the late Mrs. Nell Richey, on March 20 at the First Baptist Church.

The double-ring ceremony was performed in the presence of the immediate families by the Rev. Robert C. Turner, pastor.

The bride wore a champagne lace chiffon sheath dress with a panel held by a rhinestone clip. Her small hat was of matching flowers and net and she carried white orchids.

Mrs. Nancy Haught was her sister's matron of honor and wore a blue and white sheath with blue accessories. Her corsage was of white carnations fringed with blue to match her dress.

Raymond E. Wagoner, uncle of the bride, served as best man.

The bride's grandmother wore a rayon print sheath dress with black accessories and a corsage of pink carnations.

The bride is a 1954 graduate of East Liverpool High School and is a receptionist at the Frank Crook Furniture Co.

The bridegroom completed two years service with the Army and is an employe of the Homer Laughlin China Co.

After a week's honeymoon in Pittsburgh, Columbus and Chicago, the couple are residing at 1120 Oak St.

⁂ ⁂ ⁂

Mr. and Mrs. Allen Bloor, 617 Dresden Ave., have announced the marriage of Miss Emma Lou Marty to Huston Smith of Campbellsville, Ky.

The double-ring ceremony was performed March 30 at the First Methodist Church of Campbellsville with the Rev. W. K. Harding, pastor, officiating.

The bride wore a poudre blue dress with white accessories and a corsage of white roses. She was formerly employed at Brady's Coffee Shop and made her home with Mr. and Mrs. Bloor.

The bridegroom completed four years service with the Army, including three in Germany, and is an X-ray technician with the Williams Bros. Co. pipeline concern. He recently returned from South America.

After a honeymoon in the Smoky Mountains in Tennessee, the couple will reside in Campbellsville.

Introduced by Mrs. Lorna Hall, leader, she accompanied her talk with color nature slides.

Cheryl Lowe, president, speaking in behalf of the troop, presented Mrs. Dalrymple with a gift and installed her as an honorary member.

Games were enjoyed during the recreation hour.

The meeting closed with taps and Lynnette Franklin gave the benediction.

Forty-five scouts and guests were present.

Mrs. Sondra Bennett and Miss Barbara Cunningham are the coleaders.

Next Monday, Miss Eleanor Mountford, a teacher at Westgate School, will present a program on China. Other troops are invited for the meeting from 6 to 7:30 o'clock.

A square dance will be held April 17 at the Little House in Dixonville for the troop members. Sam Parkes will be the caller.

⁂ ⁂ ⁂

Plans to present mothers floral corsages on Mother's Day at the church were outlined at the meeting of the World Friendship Girls of the Boyce Methodist Church Monday night with Jane Baldwin of Anderson Blvd.

Caroline Robbins conducted devotions and Doris Badger was in charge of games.

A "door-to-door" bake sale will be held April 18.

Guests were Mrs. Howard Tice president of the WSCS, Beth Mazurka and Mary Lou Baldwin.

During the social hour, a bridal shower was held for Miss Sara Straight.

Veronica L. Earl Becomes Bride At Salineville Church

SALINEVILLE — Miss Veronica Lou Earl, daughter of Mr. and Mrs. Lawrence Earl of Jefferson St., became the bride of Airman Glenn Thomas Trail, son of Mr. and Mrs. Clarence Trail of Jefferson, Md., Saturday evening at the Church of Christ.

Donald Archer, pastor, officiated at the ceremony held under a white arch, covered with plamosa with a white bell in the center. Two seven-branch candelabra flanked the arch, and ferns and pompons decorated the church.

Miss Janet Kay Leishman played a half-hour recital of organ music, and Mrs. Saundra Strabley was vocalist.

The bride, who observed all familiar wedding traditions was given in marriage by her father. She wore an imported full-length organdy gown, fashioned with a Basque bodice, short sleeves and sabrina neckline, along with matching mitts and a fingertip veil of French illusion caught by a queen's crown of seed pearls.

Her cascade bouquet included white carnations and stephanotis, with two white orchids in the center. She wore a pair of pearl earrings, a gift of the bridegroom.

Mrs. Homer Barcus Jr. of Salem, sister of the bride, was matron of honor. She wore an embroidered organdy gown of pastel green with a ballerina skirt with scalloped hem, fitted bodice and sabrina neckline. She carried a Colonial bouquet of yellow and white pompons with ribbon streamers.

Bridesmaids were Miss Jayne Ann Carter and Miss Linda Kay Raffle, classmates of the bride, and Mrs. Glenn Rossey, her cousin. All wore pastel yellow gowns of similar style with matching satin caps and brief veils. They carried Colonial bouquets of yellow and white pompoms.

The bride's mother wore a Navy blue chiffon dress with blue and white accessories and a white orchid corsage. Mrs. Phyllis Siegler, representing the bridegroom's mother, wore a brown crepe dress with white accessories and a white orchid corsage.

The bride's grandmother, Mrs. Margaret Stone, wore a steel gray ensemble.

Dale Wright, cousin of the bride, was best man. Ushers were Robert Earl, Gary Stone and Dennis Beadnell. Debbie Rose, daughter of Mr. and Mrs. Louis Rose, was flower girl, and Keven Earl Barcus, nephew of the bride, was ring bearer.

About 150 attended a reception afterward at the church dining-room where a 3-tiered cake, topped with a miniature bridal couple, centered the table. Aides were Mrs. Eugene Stone of Amsterdam, Mrs. Roy Beckwith, Mrs. Homer Boals and Mrs. Charles Beadnell, aunts and great-aunts of the bride.

For traveling, the bride wore an aqua blue chiffon dress with brown accessories and her bridal orchid. She is a member of the Salineville High School Senior Class.

Her fiance, a 1953 graduate of Brunswick (Md.) High School, is scheduled for assignment April 19 to Anchorage, Alaska, where his bride plans to join him in the near future.

They left for a trip to Niagara Falls.

Circle Subjects Emphasize 'Middle-East Crossroads'

Programs stressing "The Crossroads of the Middle-East" were presented for circle meetings of the Christian Women's Fellowship Monday night at the First Church of Christ.

Mrs. Charlotte Keller conducted devotions for Circle 1, using Scripture from Heb. 11:32-38 and Cor. 3: 6-11. For her topic, she used "Others Have Worn the Paths" and gave the offering prayer.

Readings were given by Mrs. Phyllis Glynn, "The Middle-East;" Mrs. Mary Ellen Fowler, "Our Concern In the Middle-East;" Mrs. Pauline Green, "Our Concern as Christians about Oil In the Middle East," and Mrs. Eleanor Bergner, "Religions In the Middle-East."

Mrs. Keller, president, presided for business and read a letter from Miss Ruth Burrell, City Hospital dietitian, thanking the circle for the Easter treats sent to the hospital. The service committee reported 15 toilet kits completed and 5 gowns made, also 12 get-well cards were sent and 2 calls made.

Mrs. Opal Patton and Mrs. Will Blackburn gave the secretary's and treasurer's reports.

Mrs. Charlotte Tracy and Mrs. Catherine Biram served refreshments to 11 members.

Devotions for Circle 2 were conducted by Mrs. Doris Marshall, who used 1 Cor. 3: 6-11 for Scripture, along with a reading, "Forward Through the Ages."

Mrs. Ruth Smith, program chairman, discussed, "The Crossroads of the Middle-East;" Mrs. Anna Colledge, "As Disciples, What is Our Concern In the Middle-East" and Mrs. Ruth Wolfe, "As Christian Americans What is Our Concern."

Mrs. Marshall, president, was in charge of business when reports were given by Mrs. June Jackson, secretary, and Mrs. Mary Bayley, treasurer.

Mrs. Lois Cochran, service chairman, stressed the need of supplies for medical kits and Mrs. Cecil Brown reported on membership.

A report showed 11 visitations made, 31 sick and 8 sympathy cards sent and 7 phone calls made.

Lunch was served 11 by Mrs. Lois Cochran and Mrs. Irma Werner.

The worship service for Circle 3 was directed by Mrs. Geraldine Schneider. Using as her theme, "Others Have Worn the Path," she read for Scripture 1 Cor.3:-6-11 and Heb.11:32-28.

Mrs. Laura Weiford, program chairman, led the discussion on "The Crossroads in the Middle-East."

Mrs. Rachel Shingler, president, conducted business with reports given by Mrs. Weiford, secretary, and Mrs. Geraldine Grimm, treasurer.

A report on the new constitution and by-laws to be voted on in June were given by Mrs. Juanita Clendenning.

Refreshments were served 10 by Mrs. Rhoda Jameson and Mrs. Clendenning.

Mrs. Wilma Hilditch presented the devotions for Circle 4, using as her theme, "The Path of Pilgrimage," along with Scripture from Ps. 95.

For the program, Mrs. Wanda Greenwood led the study on "The Crossroads in the Middle-East."

Mrs. Verna Boulton, president, conducted business with reports given by Mrs. Helen Waggoner and Mrs. Greenwood.

Lunch was served eight by Mrs. Betty Shields and Mrs. Hilditch.

Devotions for Circle 5 were presented by Mrs. Leila McShane, who used the theme of "Others Have Worn the Path" and the Scripture of 1 Cor. 3:1-10.

Mrs. Hazel Neiser and Mrs. Edna Springer discussed topics concerning the Middle-East.

Mrs. Helen Moore, president, presided for business.

Reports were given by Mrs. Mildred Alley, secretary, and Mrs. Mary Dailey, treasurer.

For project work, toilet kits were assembled.

Refreshments were served 19 by Mrs. Marguerite Sayre, Mrs. Marjorie Manning and Mrs. Moore.

Circle members will attend the annual luncheon sponsored by United Church Women May 1 at the St. Stephen's Episcopal Church when the speaker will be Mrs. Ruth Cundiff, state president of the CWF.

The meetings were closed with the CWF benediction.

The next circle meetings will be May 4 and hostesses will include: Circle 1, Mrs. Edith Price and Mrs. Dorothy Wright; Circle 2, Mrs. Mildred Hawkins and Miss Jean Williams; Circle 3, Mrs. Violet Torrence and Mrs. Ruth Thorn; Circle 4, Mrs. Greenwood and Mrs. Waggoner and Circle 5, Mrs. Earl Applegate.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann: Must a woman fight for her husband from the altar to the grave? We're both 43, married 18 years and have three children.

A few years ago my husband became interested in community and philanthropic activities. He spends half his time traveling around the country. When he's in town he's off to meetings almost every night.

The woman he's involved with is also interested in community affairs. They met on a "committee" and have had their heads together ever since. she's 50 and has a wealthy husband about 60 who is a bore.

My husband insists I invite them to every gathering at our home. They always go off to a cozy nook and I'm left to listen to the bore's dull stories.

Last week he was out every night until 2:30 or 3 a.m. When he came home he had lipstick on his face and shirt. When I asked where he'd been he said, "Riding around, thinking."

He denies everything, says I'm overtired, overwrought and that I need a vacation. I told him if I see him fawn over this woman once more I'll make a scene no one will ever forget. Is this the answer?—TIRED.

-:-

Dear Tired: No. This is not the answer. If you make a scene, you'll be labeled overtired, overwrought, as well as unstable, hysterical and other choice names. Your husband and the woman naturally will band together to defend themselves against your "preposterous" accusations.

In the privacy of your home, tell him you're not deaf, dumb and blind, that you can tell time and you know what lipstick is. Make it clear if he wants to enjoy the respectability of home and family he'd better deserve it, or move out bag and baggage.

Many footloose and fancy-free husbands, when confronted with such a sobering choice, decide home isn't such a bad place after all.

Beat Generation

Dear Ann: While I was mixing some cooky batter the other evening my 13-year-old daughter came into the kitchen. When I turned to get the cooky tins and she thought I couldn't see her, she put her entire hand into the batter.

I got mad and tapped her wrist with the egg beater. She screamed as if I were killing her and her father came running in. He criticized me for my "brutal tactics."

He said all kids love cooky batter and I had no right to be so hard on her. How about it, Ann Landers, what would you have said to him? I always think of the right thing to say — two days later — "BRUTAL" MOTHER.

-:-

Dear "Brutal" Mother: Sure all kids love cooky batter but by the time a girl is 13 she should know about spoons.

Most kids like to lick the mixing bowl but if your daughter couldn't wait, she should have asked for permission to taste, then used a teaspoon.

Priceless Possessions

Dear Ann Landers: Will you settle a dispute? My husband and I have agreed to abide by your decision.

Our three daughters are 15, 11 and 10. My husband and I are planning a vacation which will take us away for about a month. I've been having a difficult time finding someone to stay with the children.

My husband says it isn't necessary to have anyone here. He says girls this age should be able to take care of themselves.

I'd feel uneasy putting all this responsibility on the 15-year-old. I think someone should be here to keep the house in order and keep an eye on them. Your decision, please.—TEXAS MOTHER.

Dear Texas Mother: DON'T LEAVE THESE GIRLS ALONE. If something happened you'd never forgive yourselves. Strange how people wouldn't dream of leaving furs or jewelry unguarded, yet they take chances with their children, the most priceless possessions of all.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review enclosing a stamped, self - addressed envelope.

New Floor Care Ends Waxing

One of the difficult jobs of housekeeping is to wax linoleum and asphalt tile floors. Now, thanks to Glaxo, it's no longer necessary to wax or scrub; just apply Glaxo about twice a year. It maintains a high lustre, non slip coating that seals out dirt. Glaxo dries in one hour and is water clear. It's cheaper than wax in the long run, besides saving a terrific amount of work, plus truly a beautiful floor.

Fr. Domnick Is Delegate To Event In Rome

Fr. A. M. Domnick, pastor of the Sacred Heart Catholic Church of Chester, has been appointed a delegate to the General Chapter of the Third Order Regular of St. Francis, and will journey to Rome in May for a worldwide meeting of the order. He will return in August.

Fr. Daniel Higgins of Hollidaysburg, Pa., will be in charge of the Sacred Heart parish during Fr. Domnick's absence.

Fr. Domnick and other delegates to the General Chapter, who receive appointments from Rome, will elect a father general and seven Curia members, and consider changes in rules and regulations.

The sessions will be highlighted by private audience with Pope John.

Fr. Domnick will sail May 27 on the Queen Elizabeth for Europe, and plans to return about Aug. 1. He has served the Chester parish for a year and a half, succeeding Fr. Thomas J. Garrett, who died.

Fr. Higgins is a member of the same province Fr. Domnick will represent at Rome—the Immaculate Conception Province of the Third Order Regular of St. Francis of Assisi, located at Hollidaysburg. Fr. Higgins, who was ordained last year, is teaching at Hollidaysburg.

Driver Posts Bond

SALINEVILLE — Harvey McCauley of Broadway, Wellsville, posted a $16 bond Monday night for a hearing on a reckless operations charge after he was cited by Police Chief Cleo Mellott on Main St. about 11 p. m. He is slated for a hearing Thursday before Mayor Karl Lindner.

David G. Boyce Is Elected Harker Pottery President

David G. Boyce was named president of the Harker Pottery Co. at Chester by the Board of Directors this week subsequent to the annual stockholders' meeting.

Others elected are John M. Pinney, vice president; Francis H Lang, secretary, and Robert E. Boyce, treasurer.

David Boyce came to Harker's in 1931 after his graduation from law school and has been with the company continuously since that time except during World War II, when he saw service with the Navy. He was secretary and sales manager from 1934 until 1949 and vice president, secretary and sales manager from 1949 to 1959.

He succeeds his brother, Robert Boyce, as president. The latter has been with the company since graduating from college with a Ceramic Engineering degree in 1927. He was vice president and treasurer from 1934 to 1949 and president and treasurer from 1949 to 1959. In mid-1958 he became president of the First National Bank here, serving on a part-time basis until last January when he assumed full-time duties in that position.

The directors said that Robert Boyce "will remain very active in the management of the pottery."

Pinney, the new vice president, joined Harker's in 1933 after being graduated from Carnegie Tech with an engineering degree. He also has been with the company continuously since that time except for naval service in World War II.

He has been a director, assistant treasurer and general plant superintendent since 1949 and previously worked in virtually all departments of the plant, including office, costs, clayshop foreman, etc.

Lang, an East Liverpool attorney, has been a director, assistant secretary and legal counsel since 1949.

The directors pointed out "that the change in titles in no way changes the policies of the Harker Pottery Co." David Boyce will continue to function as sales manager, with Robert Miller continuing in the position of assistant sales manager.

The new president, in a salesmen's bulletin, had this comment: "We are happy to advise that shipments during the first quarter of this year exceeded the first three months of 1958 by 14 per cent. Every month of 1959 has shown greater shipments than the corresponding month of the previous year, with March of this year 28 per cent ahead of that of last year."

Boyce also said that installation of a new automatic jigger, ordered Jan. 14, is proceeding on schedule, and "we expect to be making trial runs some time in June."

He also reported satisfactory progress on the company's new translucent china dinnerware shape, which at present is known as Shellridge. Shipments are expected to start in August or early September.

Wellsville Kaycees Plan Cathedral Rites

Plans to attend the dedication of the St. Columba Cathedral in Youngstown Sunday were outlined at a meeting Tuesday night of Council 507.

The May programs were outlined by Sam Amato, general program chairman. The group will receive Holy Communion at the 9:30 a. m. Mass Sunday at the Immaculate Conception Catholic Church. Ernest McCarty, Catholic activities chairman, is in charge of arrangements.

Fred Baldasare screened movies of the 1958 St. Rocco Day festival and fireworks display. A tape recording was played of the marching band of St. Margaret's Council 74 of Mahoningtown, Pa.

Trouble Seen For DiSalle's Sales Tax Bill

COLUMBUS, Ohio (AP)—Gov. Michael V. DiSalle's sales tax increase bill may be in trouble. Right now, he doesn't have enough votes to get it out of the Senate Taxation Committee.

One of the difficulities appears to be that the omnibus bill—which could give the state as much as 200 million dollars' revenue in the next two years—eliminates use of the familiar tax stamps.

Charitable groups are raising cain because tax redemptions bring them a tidy five million dollars a year.

DiSalle calls the redemption feature "one of the most expensive charities I know of. We spend the money to collect the tax, then we spend more money to give some of it away."

In addition to eliminating the stamps, the bill would restore the penny sales tax on purchases from 16 to 41 cents, eliminate the exemption for purchases of alcoholic beverages and cigarettes and eliminate the exemption for services such as hotel and motel rooms, parking and the like.

Also, DiSalle suggested—but did not insist upon—elimination of the present exemption on materials "used directly" in agriculture and manufacturing. But now, Senate Majority Leader Frank W. King (D-Lucas) says the "used directly" feature must be in the bill if he is to try to sell the bill on the Senate floor.

Six votes are needed to get the bill out of committee and on the floor, but two Democrats are reported balking at the stamp elimination and another is reported objecting to the lifting of the "used directly" exemption for materials and equipment employed in agriculture.

Ike's Happy At Favorite Vacation Spot

AUGUSTA, Ga. (AP)—President Eisenhower is happy and so is his doctor.

The President is pleased because he is back for another visit at his favorite vacation spot—the Augusta National Golf Club.

His physician, Maj. Gen. Howard M. Snyder, is happy because Eisenhower is getting the outdoor exercise and warm sunshine the doctor prescribed.

"This is the first summer weather I've felt in a long time," the President exclaimed with a chuckle as he arrived here from Washington Tuesday.

Snyder couldn't have arranged it better if he were in charge of the weather. The temperature was 80 degrees and the sun was a Chamber of Commerce dream.

"This is marvelous," remarked Mrs. Eisenhower as she came down the ramp from the President's private plane, Columbine III.

The President played 18 holes with Byron Nelson, a former Masters champion; Clifford J. Roberts, New York investment banker and board chairman of the golf club; and William E. Robinson, also of New York and board chairman of Coca Cola.

Massachusetts Stands Firm On State Income Tax

BOSTON (AP) — Massachusetts today refused to budge from its stand that out-of-state residents who work in Massachusetts should pay this state's income taxes.

The Bay State appears to have the upper hand. At least, she has one resident of adjacent New Hampshire in custody.

He is Annis A. Vautier, 41, of Pelham, N.H., now in residence at Charles Street jail. Pelham is about 30 miles from Boston.

Vautier was arrested at a Boston engineering office, which employs him as a designer, on an allegation he owes the state $140 on earnings he is presumed to have commuted back to New Hampshire. Vautier brushed aside the right to bail. He said he preferred to be a test case.

Back in Pelham, his wife Charlotte, 30, a former tax collector, said she would stand by Vautier. They have three children.

Keep In Trim

By IDA JEAN KAIN

Heart Research Helps Homemaker's Meals

That favorite saying about the way to a man's heart, when put into practice daily, may turn out to be the very way to his heart trouble. At least, scientific findings point strongly in that direction.

Ida Jean Kain

What is wrong with our American way of eating? We eat too much, hence the mounting problem of overweight. We eat too much fat, particularly of the saturated variety. We eat too many refined foods which furnish "empty" calories — sugar, starches and fats — high in calories but low in protective nutrients.

In short, our diets are unbalanced: too many calories and too high a percentage of saturated fat in proportion to essential nutrients.

Research findings point to the saturated fats as being the villains in heart disease. The saturated fats are meat fats, butter, margarine, cream, the fat in whole milk and all cooking fats that are solid at room temperature.

—:—

SOME FAT IS needed in our diet to insure essential fatty acids, chiefly linoleic acid. The unsaturated fats which furnish the essential fatty acids are the vegetable

son, French dressing made from vegetable oil is included in this low calorie diet, particularly in the Mr.'s menu. On the weight score, however, bear in mind that all fats are high in calories and must be limited.

Here are the "storm warnings" of heart disease — a family history of heart disease, overweight, high blood pressure, high blood cholesterol. Heart specialists caution that if any of these danger signals are evidenced, you cannot afford to wait until science arrives at the final answers.

Homemakers, you are in a key position to put the research findings into practice. Learn to cook with fewer calories. Whenever feasible, cook with vegetable oil. Cut calories all along the line, and substantially lessen the fat, particularly the saturated variety.

Most important: Once the pounds are lost, plan meals so as to guard against a regain. When the two of you reduce together, family food habits are changed — and it is changed food habits that keep the pounds off.

THIRD DAY MENU

Breakfast

Orange-grapefruit juice, 4 oz.; poached egg on thin slice toast (Mr.: Second slice toast; Jelly, 1 rounded tsp.) coffee, black.

Luncheon

Broiled fish, average serving; with wedge of lemon; green vegetable; hard roll, small; butter, ½ pat; for Mr.: fruit cup, coffee or tea.

evening—glass of skim milk or buttermilk.

Dinner

Tomato juice, 4 oz.; liver and bacon — calves' liver, 1 slice (lightly floured, pan broiled) bacon, 2 crisp strips, grilled apricots, 2 halves — baked potato, (for Mr.: 1 medium, for Mrs.: ½ medium) butter, ½ pat; choice of Spinach, asparagus or string beans; green onions and crisp celery; cheese, ¾ oz. wedge; tart apple slices, ½ apple, hot beverage.

Total calories for the day — Mr. 1,280. Mrs. 1,050.

This new diet is available in leaflet form. Send a long, stamped, self - addressed envelope for "Mr. And Mrs. Reducing Plan." Address your request to Ida Jean Kain, in care of this newspaper. Post card requests cannot be answered.

How Can I? ? ?

By ANNE ASHLEY

Q. How can I avoid having spots of paint on metal handles and hinges when painting around?

A. When painting anything that has many handles and hinges of metal, coat the surface of the metal with petroleum jelly before starting to paint. In this way, all spots of paint that may be splashed on them will come off with one rubbing of a dry cloth.

Q. How should chamois gloves be washed?

A. Chamois gloves should not be wrung out after washing. Squeeze them in the hands and press in a dry towel. Pull into shape and hang to dry in the open air.

Poor Reading Ability Hinders Schooling

More than a thousand mothers, perhaps, could write the same letter as the following one from an Ohio mother: "My husband and I have a problem with our 12 - year - old son. Ever since the first year of school, each new teacher has had the same complaint about Donald. We see now he is not improving with age and we are worried. Each new teacher requests us to discuss Donald with her — his inattentiveness, his failure to begin and finish his work on time, and his lack of a neat and orderly manner in his work.

By Garry Meyers

"However, the teachers assure us that Donald has far more than average ability, and is outstanding in a couple of subjects. Yet, he doesn't open his books at home nor use his full ability.

"They reassure us that Donald does not distract other children, show off or get in trouble, and he is well - liked and sociable. The teachers seem annoyed at his strange behavior."

—:—

MY REPLY in part:

My guess is that his biggest problem is poor reading skill. When a child can't read well, he can't keep up easily with his classmates nor pay strict attention in class. At his age, practically all his lessons require good reading ability.

It will do no good to exhort him at home to pay attention at school and to finish his work there. See that he has a few home chores he can't escape but must finish promptly. Set a daily period when he must do his lessons, with the radio and TV silent.

You should check on his written work for school, to make sure it is done with mechanical correctness. If it has been done in a slovenly way, require him to do it over, acceptably.

My bulletins, "Home Helps for Poor Readers II" and "Your Child and His Handwriting," may be had by sending a self - addressed, stamped envelope to me in care of this newspaper.

School Funds Will Be Aired

The budget and finance committee of the Southern Beaver County Board of Education will meet Thursday afternoon at the South Side High School with representatives from the five schools in the jointure to discuss the tentative budget.

The budget was discussed at the meeting of the jointure Board of Education Monday night but no action was taken pending the conference. The budget is expected to be adopted tentatively at the meeting May 4.

The board decided to employ some teachers to aid the maintenance staff with summer projects, and also decided to go ahead with plans for improving the driveway and parking areas.

An athletic award policy was adopted by the board following considerable discussion. The policy was recommended by the high school principal and the coaches.

The board authorized graduating seniors and faculty advisors to make a train trip to Washington April 23-25.

It also approved the use of the elementary school by the Parent-Teacher Association for a smorgasbord May 16, and authorized the Citizens Association to conduct its second annual basketball tournament during the Christmas vacation.

Harvey Todd, president, presided.

Connie Takes Stand Today In Her Trial

INDIANAPOLIS (AP)—The ending of a 15-year backstreet romance in a post-midnight shooting will be told today by Minnie B. (Connie) Nicholas.

An all-husband jury will hear the shapely defendant's version of how wealthy drug company executive Forest Teel died last July 31 in his white Cadillac.

Mrs. Nicholas, 44, was expected to support the defense contention that the handsome, sports-loving Teel was shot in a struggle over a gun as he beat her.

The prosecution claims it already has proved a case of first-degree murder—that Mrs. Nicholas killed Teel rather than lose him to a younger woman.

Everyone was left in suspense Tuesday as Judge Thomas J. Faulconer adjourned court immediately after the jury inspected a farewell letter Mrs. Nicholas wrote Teel but left unmailed nine days before the shooting.

The placid composure Mrs. Nicholas had presented during the trial vanished in tears as defense lawyer Charles W. Symmes read aloud the sorrowful two-page typewritten note.

"I know now that we can never go back and mean to one another the things that we have for the past 15 years," the letter said.

Introduction of the letter over prosecution objections was aimed at proving Mrs. Nicholas meant to commit suicide and had no intention of killing Teel.

Violent Explosion Damages Home Of Negro Family

WILMINGTON, Del. (AP) — A violent explosion Tuesday night damaged the home of the first Negro family in suburban Collins Park.

The explosion was in the rear of the home of Mr. and Mrs. George Rayfield and their daughter Geraldine, 14. They were not at home.

The blast badly damaged the kitchen and dining room. The Rayfields moved in with friends in Wilmington until repairs are made.

State police said today there "is a strong probability the explosion was caused by a bomb."

The Rayfields moved into the $12,500 home on Feb. 23. In the first week there were demonstrations by neighbors. Rocks were thrown and several arrests were made.

Powder Burns Child; Man Hurt In Roof Fall

SALEM — Two area residents were admitted to City Hospital Monday following miscellaneous accidents.

John Mumpire, 8, son of Mr. and Mrs. Robert L. Mumpire of Columbiana, suffered first degree burns of the face and right hand when he ignited a quantity of gunpowder, causing it to explode.

Robert Salisbury, 40, of North Benton R. D. 1, was injured when he fell 27 feet from the roof of a barn on the Harry Welker farm near Lisbon. He was repairing the roof. He sustained possible fractures of the hip and shoulder and internal injuries. Both are reported in "fair" condition.

Event At Summitville

Rural Spelling Champion Will Be Selected Friday

A Columbiana County rural school spelling bee champion will be selected at a competition to be held Friday at the Franklin School at Summitville.

A total of 24 girls are to vie for the awards in two divisions — 12 girls from grades 5 and 6 at 9:45 a. m. and 12 from grades 7 and 8 at 1 p. m.

Fr. Homer Oliver of St. Patrick's Catholic Church at Salineville will be pronouncer for the first group and Mrs. Raymond Pules, Leetonia elementary school supervisor, will be pronouncer for the older group.

The county champion in grades 7-8 division will represent the county school system in the district spelling finals April 24 in Canton.

First and second place winners in each division will receive medals from the county Board of Education. Judges for both finals will be the Rev. Boyd Burd of the Bethesa Presbyterian Church, the Rev. Roger Bacon of the Oak Ridge Presbyterian Church and Mrs. Robert Myers of Kensington.

Division entries are:

Grades 5-6: Jackie Powell, Karen Culbertson, Dorothy Burrows and Sally Leatherberry, United Local; Donna Anderson, Salineville; Linda Ferguson, Fairview; Kathy Hull, Ellen Carter, Necia Cope and Nancy Cope, Fairfield - Waterford; Lorna Elliott and Karen Eells, Beaver Local.

It's coming in 2 days

BUT THEY'LL TRY! "You Can't Take It With You" will be presented by the Senior Class of East Liverpool High School Friday and Saturday nights at 8:15 at Westgate School auditorium. Despite the title, three members of the cast, Jim Clunk, David Coleman and Lou Marie McComas, try to haul a couple of money bags from the vault of the Potters Bank & Trust Co. in this gag shot. Patrolman K. H. Mooney halts the trio before they make their escape. Ronald Boris, speech arts instructor, is the director.

Film Is Screened For Church Class

Mrs. Anna Gruber of Hanoverton, a nurse and representative of the Youngstown Heart Association for Columbiana County, screened a heart film at a meeting of the Methodist Men Monday night in the Orchard Grove Community Methodist Church.

She gave a brief talk on the history of the association and the medical advancement in the fight against rheumatic fever. She also told how cases are handled in the public schools.

Carlos Deemer was program chairman. Installation of officers was postponed until next month as the Rev. James Gardner was out of town. Paul Jones presided. Harry Drane was chairman of the refreshment committee.

Twenty editions of "The Pilgrim's Progress" appeared between 1678 and 1695.

New Cumberland Bands To Perform

NEW CUMBERLAND — Junior and Senior bands of New Cumberland High School will participate in an annual spring concert Friday night at 8 in the auditorium. Miss Helen Stobinsky is director of the senior group.

The senior band will play "Invercargill March," "Wagner Showcase," "Scottish Rhapsody," selections from "Showboat," "Oasis," "Burst of Flame," "The Peanut Vendor," "The French Festival" and "This Old Man," a children's marching song which became popular in connection with a recent movie.

Selections by the junior band will be "Emperor Waltz," "Mosquitos on Parade," "Mystic Gardens," "Big Rock Mountain" and "Silver Talisman Overture."

New York Youths Get Jail Terms At Lisbon

LISBON — Three New York youths, apprehended as suspects in a Sunday entering of a Route 7 service station, were sentenced to indefinite terms in the County Jail Monday by Juvenile Judge Louis Tobin on delinquency charges.

James Edward Ruffler and Andrew Raymond Michalski, both 18, of New York, were found guilty of contributing to the delinquency of a juvenile, and a 17-year-old Brooklyn youth with them was sentenced for being delinquent.

Sheriff's deputies plan to question them further about an entering of the Gaydoe Gas Station at Brookside early Sunday morning.

Winners Named In Essay Contest Of VFW Auxiliary

NEW CUMBERLAND — Winners were announced in an essay contest for high school students when the auxiliary of Veterans of Foreign Wars Post 3526 met Monday night in the post home.

Miss Gretchen McNeil, a senior, won first prize of a $25 Savings Bond, and Nancy Deemer, a sophomore, won second prize of $10 in Savings Stamps, on the subject of "Space Age—Challenge to America."

Mrs. Jane Mack, president, presided. The auxiliary and VFW members will meet April 25 instead of April 18 for installation of new officers, Mrs. Gem Hill of the auxiliary announced.

Another first showing

of one of the new spring Wiltons brought out by MOHAWK in their exclusive decorator colors.

We say and you will say it's the most luxurious carpet for the price you have ever seen (measures 7/16 inch thick) and it can't be duplicated because it's patented. Mohawk being the largest carpet manufacturer in the world can afford to give their designers more freedom to get away from the "run of mine" and go for more up to today's living even though it's possible they may hit a dud now and then while the smaller mills can't take a chance. Come in and see something mighty nice for only $8.95 sq. yd. and when you see it you will be reminded of Chevy Chase. As a matter of fact Chevy Chase was the inspiration.

A patented Mohawk Wilton carpet loomed of the finest imported wools and long staple Duran especially made by Mohawk to precision quality standards.

Long wearing, resilient surface features interesting dimensions and texture with no tufts left out. Thick resilient cut and uncut pile conceals footprints. Sturdy Wilton construction anchors tufts straight and firm.

A graceful flowing leaf rhythm design styled to compliment both traditional and contemporary settings. The embossed cut pile of the leaf rhythm takes on additional emphasis through contrast with a loop pile ground. See this exciting carpet in our East window now.

Friday Night In Youngstown

County Group Will Attend River-Lake Road Dinner

A large delegation from Columbiana County communities will be among some 100 county, civic and community leaders attending a Lake Erie-Ohio River Highway Associaton membership dinner Friday night in Youngstown.

The meeting at the Squaw Creek Country Club starting at 6:30 will serve as a "get acquainted' session with new State Highway Department officials, who will be questioned on construction plans for the proposed freeway from East Liverpool to Ashtabula.

Atty. Francis H. Lang of East Liverpool, assocation president, will lead a 15-man contingen from the East Liverpool Chamber of Commerce. Two from Wellsville and five from the Columbiana Chambers also will attend along with delegations from Salem and Leetonia and county officials.

Delegations from Mahoning, Trumbull and Ashtabula Counties and cities will participate.

The highway department officials expected to attend include Everett S. Preston, director; C. W. McCaughey, deputy director for design and construction, and Guy E. Neeper, deputy director of planning and programming from the Columbus headquarters.

The other highway officials will include John W. Hagan, acting Division 11 engineer, Levi Kimball and William McKenna from the Division 11 headquarters at New Philadelphia, and Paul Kostyshak, division engineer, A. W. Kasch, E. P. Frost and Al Sisk of Division 4 headquarters at Ravenna.

Attending from East Liverpool will be Mayor Fred P. Lawrence, Harry George, Paul Brown, Phil Miraglata, Adam Mort, W. F. McWhorter, Paul Tobin, Louis Tobin, Wendell Vodrey, Leo Capehart, A. L. White, and E. R. Chandler, secretary-manager of the Chamber.

Richard H. Brown, president, and Atty. William Bush, secretary, will represent the Wellsville Chamber.

Other guests will include State Rep. Clarence L. Wetzel, County Commissioners R. Max Gard, Frank Wilson and Walter A. Hunston, County Engineer Charles Snyder, and Walter Myers, executive manager of the Upper Ohio Valley Development Council.

Leetonian Arrested As Car Hits Guardrail

A Leetonia driver and two East Palestine motorists escaped injury in two area traffic mishaps Monday night, the State Highway Patrol at Lisbon reported.

James E. Sargeant, 36, of Leetonia was charged with driving while intoxicated after his 1952 sedan veered off a curve of Route 7 five miles south of Rogers and hit a guardrail at 8:45.

John Kudler, 18, of 152 Wood St., East Palestine, was cited after his car and another collided on Route 14 about two miles west of the Pennsylvania line at 10:45 p. m.

Officers said Kudler made a left turn in front of a car driven by John Mansfield, 32, of 370 E. Main St., East Palestine.

Star Receives Plaque

COLUMBUS, Ohio (AP) — A plaque, inscribed with a resolution passed by the Ohio Legislature last month, was presented Tuesday to Ohio State's Olympic star Glenn Davis. The resolution praises the Barberton native for his many track records. "This is one of the greatest things that has ever happened to me," said Davis in accepting the award at a luncheon attended by the lawmakers.

Fire Officers Receive Oath

Officers elected last week were sworn in and the oath of office was administered by Norman Neal, president, when the Calcutta volunteer firemen met Monday night in the fire station.

Neal also appointed a "house committee" to govern the rental procedure for the fire hall. The committee includes Dale Horger, Robert Dunn and James Ebaugh, who will set rates for rental among other duties.

Chief Laverne Scekman announced that training for new members and refresher courses in operation and maintenance of fire fighting equipment will begin soon, with good weather approaching.

Firemen assured Paul Deshler, representative of the Cherokee District Boy Scout organization, they will sponsor an Explorer Post. It will be sponsored under previous arrangements, Neal said.

Twenty-three attended. Firemen will sponsor a car wash Saturday from 9 a. m. to 4 p. m. at the fire station, and a round and square dance Saturday night from 9 to midnight. All proceeds will be used for a building fund. The next meeting will be Monday night.

8 From Chamber Will Go To Akron

An eight-man delegation from the Chamber of Commerce will attend a Chamber leaders' workshop Thursday night at the Sheraton-Mayflower Hotel in Akron.

The local group will be headed by T. Fred Edwards, president.

Arranged by the U. S. Chamber of Commerce, the workshop will include talks by national representatives, discussions on effective Chamber operations, committee functions and a problem-solving clinic.

Frank Mueller, a representative of the national organizations' service department, will be the principal speaker and discussion leader. Richard Anderson, manager of the North-Central Division of the U. S. Chamber, also will speak.

Comprised of members of the Board of Trustees and committee chairmen, the local delegation also will include: Bert Wakefield, Charles Taylor, Alvin Babb, James Reaney, Paul Bloor, J. N. Nicely and E. R. Chandler, secretary-manager.

The Philadelphia-Kansas City Athletics have finished in first division only twice in the last 25 American League seasons.

Picking Murder Trial Jury Resumes Today

PORTSMOUTH, Ohio (AP)—Attempts to select a jury in the first degree murder trial of Charles A. Stockham resume today. The court has dismissed 103 prospective jurors since Monday.

Seventy-five more names have been chosen for today's selection. Most of the others were excused on the grounds they had fixed opinions on the case and could not be swayed by testimony.

Stockham a 35-year-old chiropractor is charged with the strangling of his mother at their home last December.

A change of venue was requested by the state on the grounds that publicity had made it impossible to select a jury, but the request was overruled when the defense objected.

Ohio 5-Day Forecast

Temperatures will average 3-6 degrees below normal. Normal high 55 north 62 south. Normal low 36 north, 40 south. Cool Thursday and Friday, warmer Saturday through Monday. Precipitation will average about one-quarter inch north, three-quarters inch south as rain tonight and Thursday, ending Friday.

Out Of The Air

By JOHN CROSBY

New Surroundings Give TV A Lift

Dictated but not read! Probably by anybody.

Because of my bloody thumb, thumb, this is being dictated. I understand businessmen do this sort of thing all the time. Run industrial empires — I can't think how. Anyhow, disregard prose style. In fact, you might as well disregard the whole column. Just for today. I just turned off the Arthur Godfrey show which was taped in Honolulu and flown back to this country.

John Crosby

I must say I thought it was entrancing. Of course, I'm a little weak in the head about shows that are done on the spot. We can see hula dancers at the Hawaiian Room of the Lexington Hotel but they're different, much better coming from Honolulu.

-:-

THERE'S AN EASE, a rightness, a naturalness about them when done — as they were done —on the beach at Waikiki. Frankly, you don't get the same feeling at the Lexington Hotel.

Besides the hula dancers, Godfrey showed us a couple of girls doing an ili, or Hawaiian pebble dance. A guy played a nose flute. And pictures of the beach at Waikiki were stunningly beautiful. And since it was on tape, it looked live.

Tape is opening whole new vistas for shows of this kind. In a couple of weeks, Dave Garroway will be taping "Today" in Paris—Champs Elysees, the Bois — you can't tell me they're not going to get the Eiffel Tower in there—Notre Dame by floodlight, and all that jazz.

-:-

AND THIS IS just the beginning. Godfrey already is talking about going on to Japan and there are even mutterings about Russia. The possibilities are boundless and they are fascinating.

As I said earlier, you get the flavor of a Hawaiian beach far more accurately on a show done with live cameras than you would with film cameras or any kind of staged re-creation. Just think what a live camera can do with Longchamps or Red Square!

Besides, I think its good for the entertainers. For entertainers, for the writers, the producers and everyone connected with the show. They seem to derive fresh enthusiasm, fresh ideas, fresh vitality in new surroundings. The farther away the new surroundings, the greater the charge.

You might set that down as Crosby's second law. Pretty soon they'll be taking the live cameras up the Amazon and I will be the first to applaud.

-:-

A CHANGE OF SCENE has given a lift to a good many other shows this season.

Peter Lind Hayes spent a couple of delightful weeks in Winterhaven, Fla., and Cypress Gardens, hobnobbing with water skiers, oranges and cypress trees. This wasn't taped; it was live and one show scared the daylights out of me.

On this show a lunatic named William Hart of the Miami Serpentarium demonstrated how he captured a live king cobra. The king cobra, in case you don't know about these things, is the largest poisonous snake in the world and it carries enough venom to kill an elephant. It was a shocker, all right.

But that's the sort of unusual twist these shows get when you get them out of Studio 5 and into the fresh air.

-:-

THIS, INCIDENTALLY, is the last week for the Peter Lind Hayes show on ABC. For those of you who are Peter Lind Hayes fans, it's auf wiedersehen. And not farewell.

Peter and Mary will be back on somebody's network, I have a strong hunch. They were offered an evening show on ABC. But Peter likes daytime television and I hope he stays on it.

They fell victim to the confounded rating system which I consider nefarious. They have the distinction of being canceled in spite of the fact that they have received nothing but good notices.

It's a strange distinction, but that's the way the cookie crumbles in television.

Adults Cited In Youngsters Delinquency

"Next to the moon and Khrushchev, the favorite target of discussion by adults is juvenile delinquency," Fr. Thomas G. Mulhearn declared at Tuesday's meeting of the Rotary Club in the Travelers Hotel.

An assistant pastor of St. Aloysius Catholic Church, Fr. Mulhearn pointed to the rising wave of crimes by youngsters as resulting from "girls and boys with too much freedom on their hands" and failure of adults to actually "know their children."

Parents claim to love their children and they should want to be together, he said, but many employ baby-sitters for their offspring while they are away a good part of the time.

He indicated delinquency could be curbed somewhat if high school boys and girls "had something to do after 3 o'clock in the afternoon besides racing around in their own automobiles."

He cited independence by youths as arising in part from failure to "correct" a child in both home and school, pointing out that teachers and school adminstrators are sometimes denounced for the way in which they impose precise authority or punishment.

Parents were urged to "get behind their children" and practice the code of "the man above." The theme for every home should be "God Is Love," he added.

Fr. Mulhearn was introduced by Harold Barth, program chairman. Dean Wilhelm, president, presided. Among guests were Tom Streicher, William J. Bamer and James McGowan, all of East Liverpool, and Richard Call of Cleveland.

Ohio Power Plans Another Link For Microwave Setup

The Ohio Power Co. soon will add another link in its microwave communications network.

The new "leg" in the network will link the company's Canton office with its Tidd Plant, south of Steubenville; the Kammer plant, near Moundsville, W. Va., and a sister company, the Wheeling Electric Co. All in turn will be linked to the remainder of Ohio Power's microwave grid.

Leased phone lines also will connect the Bellaire and Steubenville offices and the Windsor plant, north of Wheeling, with the microwave network.

To add Tidd, Kammer and Wheeling Electric to the network, several microwave repeater stations are to be constructed.

They will be located at Sponseller Hill, six miles southeast of Canton; Kilgore, seven miles south of Carrollton; New Alexandria, south of Steubenville, and Shadyside, near Bellaire.

Ohio Power's share of constructing the new microwave extension, expected to be in service by late summer, will be about $275,000. Wheeling Electric's installation will cost about $20,000.

Chester High Selects Varsity Cheerleaders

Chester High School cheerleaders for 1959-60 were selected Tuesday at the school. The varsity cheerleaders will be Elizabeth Erlitz, Judy Laughlin, Darlene Walker, Diane Huff, Anne Watkins and Sally Myers.

The reserve team will include Marilee Mosser, Ruthann Paisley, Elissa Stone, Joanna Johnson, Peggy Miller and Mary Ann Raffa. Daily practice is to start this week.

Miss Roberta Rogers was chosen as the Panther mascot. The teams were chosen by a faculty committee consisting of Mrs. Al Johnston, Miss Betty Buben, Miss Sara Thomas, Roy Cashdollar and Richard Bryan, and the senior varsity cheerleaders.

Ohioan Convicted Of Manslaughter In Wife's Death

DAYTON, Ohio (AP)—After 14 hours of deliberation a jury convicted Norman Woodgeard, 29, Dayton, of manslaughter in the fatal shooting of his wife last July 26.

After Tuesday's verdict, Montgomery County Common Pleas Judge Warren Young deferred sentencing for three days, pending filing of an appeal.

The case was previously tried in January, but ended when the jury failed to reach a verdict.

Woodgeard claims he accidently shot his wife, Jane, 21, while practicing a fast draw. He said he didn't know the .45-caliber revolver was loaded.

The prosecution, however, introduced a statement, signed by the victim before she died, that Woodgeard had shot her in a jealous rage.

School Improvement Proposal Discussed

EAST PALESTINE — Further discussion on a proposed $500,000 school improvement project was held by the Board of Education and representatives of community organizations Monday night.

The board agreed to devote a full meeting in the near future for discussion and study of the proposed construction project, but did not set a date. In other action, the board approved drivers' training program for the summer.

Band Banquet Plans Set For Chester High

Plans for the annual Chester High School band banquet April 25 at the Chester American Legion were completed during a meeting of the Purple and Gold Band Mothers Monday night at the high school.

Mrs. Alton Johnson and Mrs. Robert Burch are co-chairmen.

Mrs. Ralph Rossy reported $200 was netted in the annual birthday calendar sale.

Mrs. G. E. Freeman, Mrs. Dale Hoyt, Mrs. Johnson, Mrs. E. L. Murray, Mrs. Burch, Mrs. J. J. Berry and Mrs. Rossy will serve as chaperones at the Region I band festival May 1-2 at Clarksburg.

Further plans were made for the annual band contest April 17 at Wellsburg and the annual spring concert Friday night at 8 in the high school auditorium.

The group authorized the purchase of suit boxes for band uniforms on out-of-town trips. Mrs. Murray, Mrs. Burch and Mrs. Garnet Ash were named a nominating committee to prepare a slate of officers for election May 4.

Lunch was served by Mrs. Paul McHenry and Mrs. Fred Greenlee. Mrs. Johnson, president, presided.

Club Makes Plans For Excavation At Indian Camp Site

Plans for an extensive excavation at an Indian village site in the area were made during a meeting of the Aboriginal Explorers Club Monday night at the home of Harry M. Cline of Wellsville.

The club hopes to uncover the post molds of a dwelling to better understand the size and shape and to search the immediate area for associated artifacts. Plans also were made to visit Flint Ridge near Columbus and the effigy mounds at Newark.

Harold Dawson, president, led a discussion on prehistoric Indian tribes which inhbaited the tri-state area. Ray Simoni and Jim Woodrow displayed a large collection of Indian relics found in the area over the weekend.

The next meeting will be April 20 at the home of Harry R. Cline of Wellsville.

2 Children Die In Home Fire When Mother's Efforts Fail

NEW LEXINGTON, Ohio (AP) —A child's tricycle lying among charred debris . . . a backyard gym set with idle swings . . . a small cottage leveled by fire.

These were the grim reminders today for a family that lost two of its three young children.

It wasn't that Mrs. Carol Ervin didn't try to save her young ones. She pounded frantically on a locked back door, screaming for her oldest son, James, almost 3, to open up.

But because he couldn't hear or didn't understand, Jimmy and his infant brother, Michael, who would have been a year old today, perished in their flaming home 10 miles south of here Tuesday.

Mrs. Ervin tried the other doors and windows. They were locked. She broke the glass of one window, but it was too narrow to climb through. She ran to the home of a neighbor, Richard Street, for help, but flames drove him back when he tried to enter the house.

When firemen arrived, the house had burned to the ground. They found the charred bodies of James and Michael in the kitchen, only a few feet from the back door. Cause of the fire is undetermined.

Mrs. Ervin was hanging up clothes in the backyard with her 5-year-old daughter, Debbie, when she noticed the flames.

Her husband, James, didn't learn of the tragedy until he came home from work. Until then, it had been a lucky day for him. He had gone to work for the first time in five months, on a construction job in Newark.

House Committee Hears Witnesses

Fight Begins On Ohio Utility Rates

By Our Own Correspondent

COLUMBUS — The first shots were fired Tuesday night in the latest legislative battle to change Ohio's utility rate law.

Witnesses before a House committee said, in effect, that Ohioans are haunted by ghost companies in the utility rates they pay.

Ralph S. Locher, Cleveland law director and chairman of the Ohio Municipal League's Public Utilities Committee, charged that the "reconstruction cost new" formula used in this state fixes rates on the basis of "hypothetical companies" rather than firms as they actually exist.

Elwood C. Van Scoyoc, Washingon (D.C.) utility rate consultant, testified that it would be impossible for utility companies to reproduce most of their plants today on the terms implied in the so-called RCN formula, even if they wanted to.

—:—

THE RCN formula fixes a utility's rate base according to an estimate of what it would cost the company to duplicate its plants and equipment at present prices.

Both witnesses urged the House elections and federal relations committee to approve a bill to allow the Public Utilities Commission to use actual cost or investment figures in fixing base rates.

Committee members were told that Ohio is the only state in the union that restricts its commission to the RCN base. The formula was attacked as "extremely" time-consuming and laborious and that "the public must pay the cost" in its utility rates.

Locher's statement that the RCN method deals in "guesswork" rather than facts and figures was supported by Van Scoyoc, who said that at best there is sharp disagreement between various appraisals of what the reproduction costs would be.

Locher estimated that abandonment of RCN would save consumers 100 million dollars, not in immediate rate reductions but in future rate adjustments.

Van Scoyoc, former staff member of the Federal Power Commission, told the committee that the depression years showed that RCN was "a one-way street leading to ever higher rates."

—:—

ALTHOUGH rate reductions were expected at that time because building costs were lower than during the expansion period of the twenties, he said, the reductions never materialized.

Drawing a comparison on investment return, the consultant said that in 1957 eight Ohio utilities received a 7 per cent return on total capitalization as compared with a 5.5 per cent return for five California companies.

Common stock earnings for the Ohio firms amounted to 12 per cent against 8.7 per cent for the California companies, he added.

Yet, he continued, the California concerns as well as those in all other states continue to attract capital investment for expansion.

In response to questioning, Van Scoyoc said a comparison of rates paid by consumers is meaningless because rates must be based upon the circumstances of each individual firm. The fairness of local rates can only be judged in light of the firm's return on its actual investment, he said.

Locher said the RCN formula under Ohio's present laws is nothing more than a "statutory rate escalator clause."

Former Chester Man Selected For Merit Fellowship

A former Chester resident has been selected by the Shell Oil Co. as one of 100 high school math and science teachers in the United States and Canada to receive a merit fellowship at Stanford University this summer.

Robert E. Marshall of Odessa, Tex., a 1941 graduate of Chester High School and son of Mrs. Margaret Marshall, 241 Rural Ln., was given the fellowship on the basis of merit and leadership qualities. He has been a teacher at Odessa High School for about 12 years and is dean of students. He teaches advanced science and advanced math.

Marshall will attend the summer seminars at Stanford at Palo Alto, Calif., June 22-Aug. 17. He will be allowed to devote time to any phase of work at Odessa High which he feels requires special research.

Marshall, a native of East Liverpool, received his bachelor of science degree from Mt. Union College at Alliance and a master degree in chemistry from the University of Texas. He is a member of several divisions of the American Chemical Society.

He has been dean at Odessa since 1956.

Bank Cashier Named

LISBON — Forest B. McClintock has been elected cashier of the Firestone Bank by the Board of Directors, Leland S. Firestone, president, announced. McClintock took office last Wednesday following the retirement of Ross C. Fox. McClintock joined the bank's staff in 1943 and served as assistant cashier for the past 14 years.

School Plans Told Kiwanis

Proposed improvements in Hancock County schools were outlined for members of the Chester Kiwanis Club Tuesday night by County School Supt. Robert Hall.

The planned improvements would be made possible under an additional 50 per cent levy which the County Board is considering submitting in a special election.

Hall said the proposal would include a guidance program for grades 7 to 12, remedial reading for all grades, an in-service training program for teachers, revision of the teacher load, a physical fitness plan, more classroom placement and betterment of school buildings.

Hall said the improvements are needed for increasing the education level of the county schools, and urged club members to support development of the program.

J. Paul Finley was welcomed as a new member. Claude Ankrom reported on a district meeting of committee chairman Sunday at Charleston.

Ankrom and David McPherson announced committees for a public ham supper to be held May 7 at the City Hall. Eugene Seeley said a charter program and "Ladies Night" meeting will be held May 19 at the Methodist Church Memorial Center.

R. M. McFarland, president, was in charge.

Brush Blocks Sewers In St. Clair Township

St. Clair Township trustees Monday night urged residents not to place trimmed brush or tree limbs in roadside ditches because the debris clogs sewers and necessitates clearing work.

The trustees approved cleaning of clogged sewers reported by John Watson of Sub-station and Ray Boughner of Huston Rd. The trustees also approved clearing of a ditch at the home of Charles Oyster of Calcutta, who plans to install a sewer, and authorized ditchwork at a Glenmoor home in preparation for placement of pipe under a driveway.

Road Director Resigns From Post In Hancock

The resignation of Percy Willison, Hancock County road commissioner at the Pughtown Garage of the West Virginia State Road Commission, has been submitted to Moundsville district highway officials.

Willison, a barber in Chester, held the post for about three years.

Willison said the resignation becomes effective Friday and that he submitted it to O. A. Trout at Moundsville Tuesday. He gave "personal reasons" for the resignation.

Berbers, in northwest Africa, are a mixture of European, Arabian and Negro strains.

Congressman Addresses 75 At Wellsville Arts Club Event

Seventy-five heard Rep. Wayne L. Hays of Flushing discuss "Foreign Affairs" at a meeting of the Wellsville Arts Club Tuesday night at the Elks Lodge.

Hays stressed that he is in favor of giving smaller nations foreign aid money for food and for furthering education rather than presenting it for purchase of arms.

He discussed the way of life in various countries. He said he feels the Marshall Plan is doing good, especially in Germany and other Western nations, but that it hasn't worked so well in the Asian countries.

Hays also recalled talking to Russia's Premier Nikita Khrushchev who related Russia will win the next war without firing a shot. Khruschev said this will be done by Russia gaining control of all oil and other major products, Hays asserted. Russia also claims to have 60 intercontinental missiles, Hays said, as he spoke in favor of the United States spending more money on its missile program.

Hays is chairman of the subcommittee for the State Department Organization and Foreign Operations in the Congress. He also is a member of the House Foreign Affairs and the House Administration Committees.

Mrs. Myron Weis, program chairman, introduced Hays. Members of the civic affairs committee were hostesses. They are Mrs. Emma Lewis, Mrs. Florence Arnold, Miss Grace Burford, Mrs. Margaret Doyle, Mrs. Jean Fraser, Mrs. Esther Kemeny, Mrs. Mary Kerr, Mrs. Edith MacLean, Mrs. Blanche O'Hara and Mrs. Peggy Todd.

The club will hold a dinner May 12 at Timberlane's in Salem.

Auto Lacks New Plate, Driver, Owner Forfeit

Because a Beaver County man's auto lacked a 1959 Pennsylvania license plate, both the owner and the driver were cited by East Liverpool police early today.

Richard Gary, 21, of Industry R. D. 1 was charged with operating an auto with improper registration and William Ronald Sosack, 25, of Industry, was cited for permitting operation of his car with improper registration.

Sosack forfeited $16 and Gary forfeited $31 today in Municipal Court. The two were cited at 3:39 this morning on Pennsylvania Ave., police said.

Deaths and Funerals

Death Claims Dentist At 67

Dr. Harry T. McKnight, Midland dentist and an active Legionnaire, died this morning at 7:10 at the Oakland Veterans Hospital in Pittsburgh, following a lingering illness. He was 67.

He was born Sept. 1, 1891, in Oil City and had been a dentist in Midland for 37 years. He was graduated from the University of Pittsburgh School of Dentistry. He was a charter member of the Midland American Legion Post 481 and received a gold life membership in 1957. He was past commander and served as adjutant and secretary of the post for about 30 years. He was also past commander of the Beaver County Council and a member of the county Voiture 739 of the 40 & 8. He belonged to the Four-Mile United Presbyterian Church in Ohio Township.

He was a member of the Monongahela Valley Masonic Lodge at California, Pa., and the New Castle Consistory of the Scottish Rite and the Shrine.

He is survived by his widow, Mrs. Ann McKnight at the family home on the Fairview-Ohio View Rd. on Industry R. D. 1; two stepsons, Lester L. Beeson of Canton and Richard J. Beeson of Mars; two step-daughters, Mrs. Dorothy L. Wilson of Minerva and Mrs. Mildred Nicholson of Cleveland, and 18 grandchildren and 4 great-grandchildren.

Friends may call at the Cannon Funeral Home in Midland after 2 p. m. Thursday. Other arrangements are incomplete.

Mrs. O. D. McCartney

Services were held Sunday for Mrs. Rebecca Ellen Goff McCartney, 72, of Grantsville, W. Va., who died Thursday after a long illness.

She was born at Burnt House, W. Va., a daughter of William and Mary Frederick Goff, and was married in 1907 to Otis Dallis McCartney.

Besides her husband, she is survived by eight sons, Otis G. McCartney, Gallard G. McCartney, Ray W. McCartney, Paris R. McCartney and Glen D. McCartney, all of East Liverpool, Orlen D. McCartney and Basel R. McCartney of Grantsville and George P. McCartney of Dry Branch, W. Va.; three daughters, Mrs. Erless Gogar of Grantsville, Mrs. Eda Long of Charleston and Mrs. Freda Bellamy of Bedford Heights, and 39 grandchildren and 14 great-grandchildren.

Burial was at Grantsville.

Anthony A. Schon

Anthony A. Schon, 501 1st Ave., former potter, died Tuesday at 5 p. m. at City Hospital after a brief illness. He was 70.

He was born in East Liverpool, son of the late Nicholas and Catherine Simballa Schon. He was employed last as a waxer at the Hall China Co. and retired June 25, 1958. He was a member of the IBOP.

He leaves his widow, Mrs. Bessie Osborn Schon at home; a brother, Hubert R. Schon of Shepherd's Valley, near Chester, and three sisters, Mrs. Kate Quimby of Farrell, Mrs. Marie Roberts of Holdenville, Okla., and Mrs. Anna Young of Cleveland.

The Dawson Funeral Home is in charge of arrangements which are incomplete.

Robert Reynolds Jr.

Services for Robert C. Reynolds Jr., son of Mr. and Mrs. Robert Reynolds of Lisbon St. Ext., will be held Thursday morning at 9 at St. Aloysius Catholic Church. Burial will be in Spring Grove Cemetery.

He died Monday at Mercy Hospital after an illness of six weeks.

Friends may call at the Martin Funeral Home tonight.

Rocket Fires ICBM Cone; It's Recovered

CAPE CANAVERAL, Fla. (AP) —A powerful two - stage rocket shot a tiny ICBM nose cone of the future 5,000 miles over the Atlantic today. It was recovered two hours later for the first time in seven launching attempts.

The cone, which could carry power - packed ICBM warheads, was fired on target by an 80-foot Thor-Able rocket.

Air Force officials announced that the recovery by ships located in the impact area was "a secondary test objective but an additional bonus to the test program as it will provide physical verification of telemetry (instrumentation) data received.

The missile roared aloft at 1:35 a.m. (EST), and appeared to perform perfectly.

The main job was to learn how well the cone survived the blazing re-entry from space through the earth's atmosphere at speeds close to 10,000 miles per hour.

Two hours after it hit the water, the cone was spotted by a C54 reconnaissance plane. Earlier, the cone's re-entry, which was like a tiny meteor, was sighted by several ships in the area.

Control Town Government

Fulton (Kas.) Men Fooled As Women Win In Election

FULTON, Kan. (AP)—The men of Fulton thought the Ladies Citizens ticket was the funniest joke in town—until Tuesday.

That's when women won control of the town government.

The voters turned out in record numbers (total vote 88) and elected Mabel Austin, 72, mayor. Three Ladies Citizens' candidates were elected to the five-member City Council.

"They (the men) were joking and kidding us about it when we first started talking about running for office," Miss Austin said. "We just wanted to show the men we could do it."

Miss Austin, a retired employe of the U.S. Internal Revenue Service, defeated Mayor Howard Post, a grocer, 46 votes to 35.

Elected to the council were Margaret Delano, who admits to being older than 70; Esther Watson, 65, and Lois Erie, 40.

A record vote apparently contributed to the ladies' victory.

"We haven't had this many voters out in history," said City Clerk Howard Coleman.

Fulton is 85 miles south of Kansas City on U.S. Highway 69. It has a population of 231.

Miss Austin said she and her colleagues have "several things we'd like to do."

"We'd like to try to do something about getting people to keep their dogs out of other yards and gardens," she said. "Some people have said this town is going to the dogs.

"We like to think it went to the women."

2 Outstanding Reasons

Withdrawal By Adenauer Applauded In Washington

WASHINGTON (AP) — Konrad Adenauer's decision to withdraw from active direction of the West German government later this year won quiet applause today in official Washington.

Whatever they may say publicly in tribute to the German chancellor, U.S. foreign policy makers say privately there are two outstanding reasons why his move should strengthen the Western alliance:

1. By choosing to step up to the presidency instead of remaining chancellor until death or disability cut him down, Adenauer has almost certainly thwarted Soviet hopes that the end of his regime would be followed by a struggle for power, creating uncertainty and weakness in Bonn.

2. By electing to leave the chancellorship, he has started clearing the way for younger men with more agile minds to take a greater part in the development of German policies.

This probably means the introduction of greater flexibility into West Germany's attitude toward negotiations with the Soviet Union over the Berlin crisis and related problems, beginning with a foreign ministers conference May 11.

One of the first places where modifications of foreign policy may become apparent is in a meeting of U.S., British, French and West German diplomats in London beginning next Monday.

Following up the meetings of Western foreign ministers here last week, the four-power group has the task of putting into shape the proposals which the Western powers will present to the U.S.S.R. at the Geneva foreign ministers session next month.

The West German government has been divided within its own ranks about the kind of proposals which the Western powers should make.

In an earlier diplomatic conference in Paris last month, German representatives went along with inclusion of a confederation plan among the Western proposals for the Geneva conference. The idea was that a confederation of East and West Germany would constitute one of the early stages in a step by step program for reunification.

When Foreign Minister Heinrich von Brentano came here from Bonn for last week's meetings, however, he received orders from Adenauer to kill the confederation idea.

The inevitable shifting of political forces inside the Bonn government as a result of Adenauer's decision now opens up the possibility the plan may be revived.

5 Georgetown Posts In Ballot

Offices of three councilmen, one auditor and one school board member are open for filling at the May 19 primary, Mrs. Myrtle Alger, borough secretary, said today.

Terms expiring include those of Tony DeCapio, president; Thomas Lombard and William Durst, councilmen; John M. Finley, school director, and Mrs. Margaret McHaffie, auditor.

Councilmen serve four - year terms, school directors four years and auditor six years, she said. Since no petitions were filed by any candidates for these offices by March 16 with the Bureau of Elections at Beaver, they will be filled by write-ins on the May 19 ballot, she said.

Council, at a meeting Monday evening, postponed until later the passage of a zoning ordinance due to a lack of finances, Mrs. Alger said. Slagging and rolling of Washington and 2nd Sts. was also discussed, she said.

Prohibition Is Repealed In Oklahoma

OKLAHOMA CITY (AP)—Oklahomans struck prohibition from their constitution Tuesday.

With all but 13 of the state's 3,234 precincts in, repeal carried 395,242 to 313,574.

The state still isn't off the wagon. Legal liquor is at least two months away.

A constitutional amendment substituting privately owned package stores for prohibition was approved by a margin of more than 80,000 votes in a record-breaking special election called at the urging of Gov. J. Howard Edmondson.

The Legislature must validate the amendment and repeal anti-whisky laws before liquor can be sold legally. This probably will take 60 to 90 days.

Oklahoma then will emerge from 51 years of prohibition. Mississippi will be the only dry state left in the union.

Failure of a county option proposal Tuesday means the entire state will go wet, although liquor stores will be limited to towns of 200 and larger.

The county option question, submitted separately, lost 221,520 to 467,928.

Had county option passed, each county would have voted May 12 on whether to allow liquor stores.

Liquor can be sold only by the bottle when the new amendment goes into effect. The "open saloon" will be banned, although 3.2 beer still will be sold in taverns.

The repeal victory came when Oklahoma was "drier" than at any time since statehood.

Edmondson ordered a statewide crackdown soon after taking office in January. State officers have driven hundreds of bootleggers out of business. Many nightclubs closed.

Winning Rocky Mountain Conference wrestling championships is a habit with Colorado State College. The Bears 1959 crown was their 23rd conference title in succession.

Don't let garbage put you out . . .

INCINERATE IT!

without smoke or smell

No Chase . . . No Chill—Why fuss with accumulating, and defending, "canned" garbage when you can avoid it for pennies a day? Just wrap garbage in scrap paper, drop it in a neat indoor gas incinerator. Right away you are rid of the whole mess.

Garbage Becomes Dry Ash—A timer - controlled gas flame insures instant starting. It also helps to intensify heat within the insulated chamber. Garbage is dried and incinerated, with or without other refuse. Everything is reduced to ash. Because of the new down-draft, fumes are drawn through and consumed by a jet-like gas "afterburner", eliminating smoke and smell.

Rags, Bones, Hanks of Hair—Papers, cartons, rags, etc., need not accumulate. Even bones go silently, safely. Be independent of garbage and rubbish collections the easy way . . .

5 Georgetown Posts In Ballot

Offices of three councilmen, one auditor and one school board member are open for filling at the May 19 primary Mrs. Myrtle Alger, borough secretary, said today.

Terms expiring include those of Tony DeCapio, president; Thomas Lombard and William Durst, councilmen; John M. Finley, school director, and Mrs. Margaret McHaffie, auditor.

Councilmen serve four - year terms, school directors four years and auditor six years, she said. Since no petitions were filed by any candidates for these offices by March 16 with the Bureau of Elections at Beaver, they will be filled by write-ins on the May 19 ballot, she said.

Council, at a meeting Monday evening, postponed until later the passage of a zoning ordinance due to a lack of finances, Mrs. Alger said. Slagging and rolling of Washington and 2nd Sts. was also discussed, she said.

Prohibition Is Repealed In Oklahoma

OKLAHOMA CITY (AP)—Oklahomans struck prohibition from their constitution Tuesday.

With all but 13 of the state's 3,234 precincts in, repeal carried 395,242 to 313,574.

The state still isn't off the wagon. Legal liquor is at least two months away.

A constitutional amendment substituting privately owned package stores for prohibition was approved by a margin of more than 80,000 votes in a record-breaking special election called at the urging of Gov. J. Howard Edmondson.

The Legislature must validate the amendment and repeal anti-whisky laws before liquor can be sold legally. This probably will take 60 to 90 days.

Oklahoma then will emerge from 51 years of prohibition. Mississippi will be the only dry state left in the union.

Failure of a county option proposal Tuesday means the entire state will go wet, although liquor stores will be limited to towns of 200 and larger.

The county option question, submitted separately, lost 221,520 to 467,928.

Had county option passed, each county would have voted May 12 on whether to allow liquor stores.

Liquor can be sold only by the bottle when the new amendment goes into effect. The "open saloon" will be banned, although 3.2 beer still will be sold in taverns.

The repeal victory came when Oklahoma was "drier" than at any time since statehood.

Edmondson ordered a statewide crackdown soon after taking office in January. State officers have driven hundreds of bootleggers out of business. Many nightclubs closed.

Winning Rocky Mountain Conference wrestling championships is a habit with Colorado State College. The Bears 1959 crown was their 23rd conference title in succession.

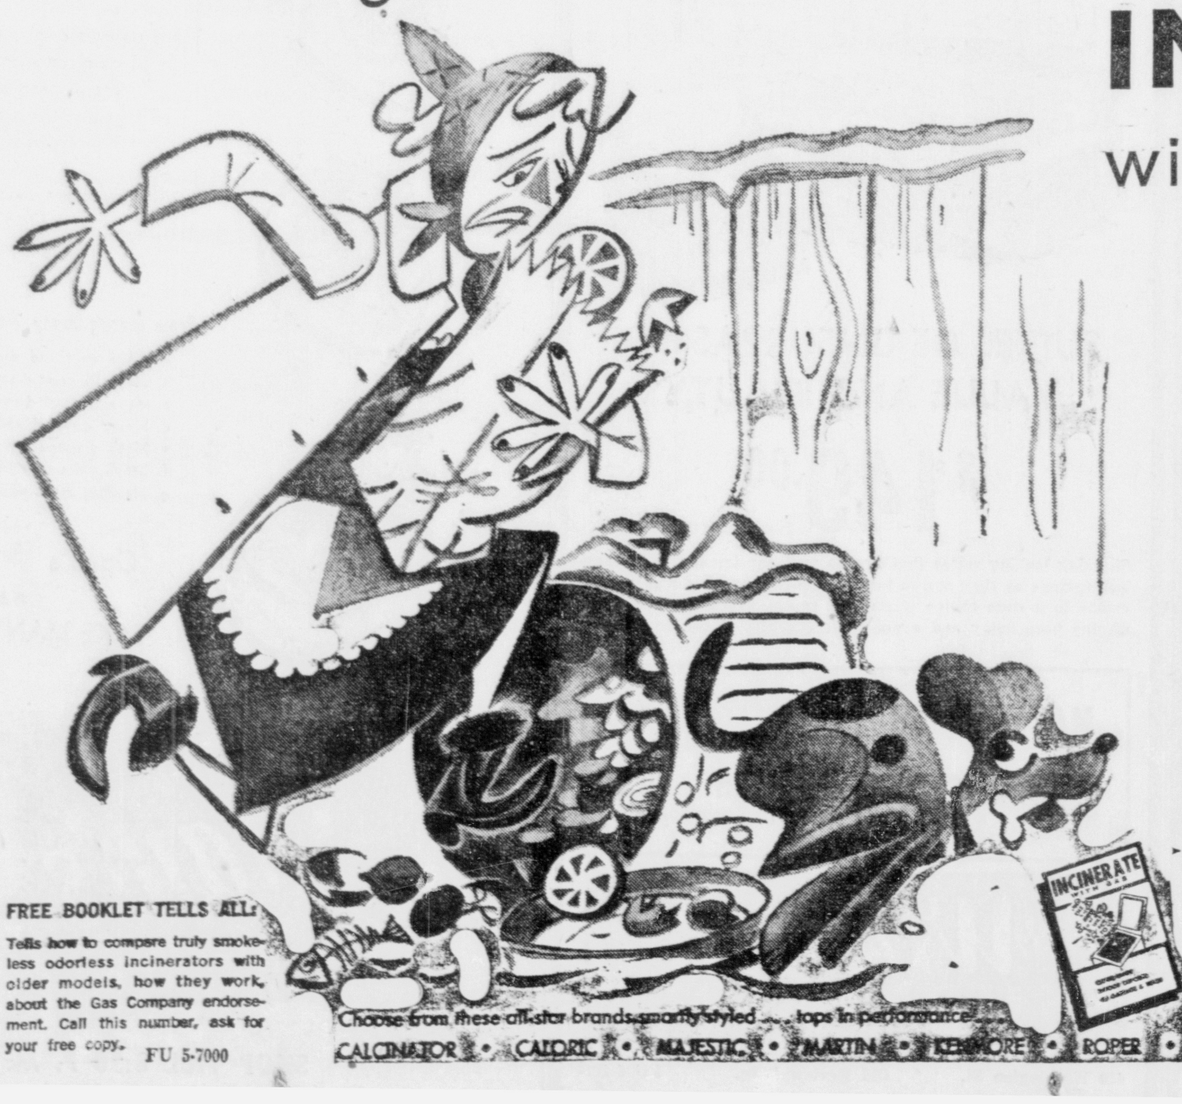
Don't let garbage put you out . . .



INCINERATE IT! without smoke or smell

No Chase . . . No Chill—Why fuss with accumulating, and defending, "canned" garbage when you can avoid it for pennies a day? Just wrap garbage in scrap paper, drop it in a neat indoor gas incinerator. Right away you are rid of the whole mess.

Garbage Becomes Dry Ash—A timer - controlled gas flame insures instant starting. It also helps to intensify heat within the insulated chamber. Garbage is dried and incinerated, with or without other refuse. Everything is reduced to ash. Because of the new down-draft, fumes are drawn through and consumed by a jet-like gas "afterburner", eliminating smoke and smell.

Rags, Bones, Hanks of Hair—Papers, cartons, rags, etc., need not accumulate. Even bones go silently, safely. Be independent of garbage and rubbish collections the easy way . . .

FREE BOOKLET TELLS ALL. Tells how to compare truly smokeless odorless incinerators with older models, how they work, about the Gas Company endorsement. Call this number, ask for your free copy. FU 5-7000

Lisbon Board Sets $406,878 Appropriation

LISBON — The annual appropriation for 1959 was set at $406,878 when the Lisbon Board of Education met Tuesday night.

A breakdown shows — Administration, $14,640; Salaries and wages, $266,601; co-ordinated activities, $4,410; auxiliary agencies, $9,570; operation of schools $24,000; school patrol $671, or total of $322,292.

Supplies, $19,400; material and maintenance, $3,500; equipment, $3,700; services and contracts, $16,350; fixed charges, $33,419; capital outlay $5,400; unanticipated emergencies, $817, for total of $84,586.

The board hired three teachers for the new term beginning in September. Miss Betty Davis, 22, of 52 Main St., Salineville, who will graduate in June at Kent State University, and will teach commercial subjects in the high school, replacing Mrs. Bernice Robb, who will instruct commercial office equipment classes.

Gary Ford Hall, 24, of 265 W. Lincoln Way, who has a bachelor of science in education from the University of Notre Dame, will replace John Galvin, who asked for a year's leave of absence to study under a scholarship.

Mrs. Grace McPherson, 604 E. Lincoln Way, who is teaching at McKinley School, will teach the fifth grade at Lincoln School next term.

Mrs. Joanne Rutecki of R. D. 5 has been hired as secretary to Supt. Loren Early. She replaces Mrs. Ilene Wojtecki, who resigned. Raymond Glauser of R. D. 5, janitor, will be added to help at Lincoln School when the six new class rooms are added

Within the next 10 days, 16 20-seat cafeteria tables will be installed at Lincoln School and 2 at McKinley school, the board said. Costing $5,990, these was purchased at a previous meeting.

The board purchased $3,288.57 worth of furnishings for the high school and new Lincoln rooms and authorized Kenneth Hult, Judson McCamon, Arch Peppel, Raymond Reese and Ben Wilson, school bus drivers, $100 each for garage rent for the term.

The state will reimburse the board.

Installation of a fan and duct work to ventilate the basement in Lincoln building at a cost of $300, was authorized. The Heim Sheet Metal Co. will do the work.

Supt. Loren Early was permitted to spend approximately $1,200 per year for the purchase and upkeep of commercial office equipment.

The board was told kindergarten classes will be moved to McKinley School from Lincoln School next term.

The board also discussed sewer taxes, which it feels is too high. In 1958, $1,875.53 was paid and with additional students it is expected to reach $2,245 in 1959. Supt. Early will seek a meeting with the Board of Public Affairs to discuss the charges.

The high school received $174.20 for participating in the basketball tournament at Struthers, it was reported.

Lisbon board members will meet with Leetonia, Columbiana and East Palestine board members in East Palestine June 17 at 6:30 p. m. East Palestine Board will act as host.

The next meeting will be held Tuesday, May 12, at 8 p. m. and the board expects to hold a special session Friday, May 15, to discuss personnel for the new term.

Sportsmen's Group To Plant 1,000 Trees

Plans to set out 1,000 trees and 500 shrubbery bushes at the Chester-Newell Farmers & Sportsmen's Club farm at Gas Valley over the weekend were completed at a meeting of the club Monday night at the Chester City Hall.

Some 1,000 pine, chestnut and walnut trees will be planted, along with 500 multiflora bushes. The plants were received recently from the State Conservation Commission.

Arrangements are to be made with Eugene Cheuvront, Gas Valley farmer, to plot new ground for food strips at the club farm, completing a three-year farming program.

The road leading from the highway to the farm is being improved this week. Paul Johnston, president, was in charge. The next meeting will be May 4.

Board Expedites Building Program

Legal preparations for Beaver Local School District's proposed school improvement program were furthered at a meeting of the Board of Education Tuesday night.

Harry Greenwood, clerk, and Jack Pozenel, president, were authorized to sign agreements for contracts and for arrangements with the State Board of Education concerning the building of additional classroom facilities.

The State Board, which has allotted a $250,464 grant, is expected to act on approving the plans at a meeting Monday at Columbus. Beaver Local approved a $220,000 levy-bond issue in November for the other part of the program.

The Beaver Local Board is to meet in special session next Tuesday night to accept the State Board's agreement, if it is approved, and to proceed with further plans, such as advertising for bids.

Greenwood took the papers and documents to Pittsburgh today for airmailing to the State Board at Columbus. George VanHorne, executive head, is in New York.

Dies In Truck Mishap

CIRCLEVILLE, Ohio (AP) — Ward B. Timmons, 59, of near Williamsport, was killed Tuesday night when his pickup truck skidded on loose gravel on Ohio 56 six miles northwest of here, and overturned in a ditch.

Defendant Denies Charges Of Theft

Bernard Icenhower, 305 E. 2nd St., pleaded not guilty when arraigned Tuesday before Municipal Judge George L. Brokaw on a charge he stole $100 Saturday from John Paradinovich, 514 Washington St., Newell.

Judge Brokaw fixed bond at $500 pending a hearing Saturday morning at 9.

Paradinovich told police he and Icenhower were drinking together in a Diamond tavern and later went to the local man's home. Paradinovich said he fell asleep, discovering the loss of the $100 when he awoke.

Icenhower also faces charges of drunken driving and second degree manslaughter in Municipal Court in connection with a traffic mishap March 8 that allegedly led to the death of Murl Oney of E. 2nd St., a passenger in his car. Before the new arrest Monday on the theft charge, he was free on two $500 bonds on the manslaughter and drunken driving charges.

College Stars Dot Tri-State Teams

34th Tourney Will Resume On Thursday

At least 14 colleges are represented by players on the eight teams that remain in the 34th annual Tri-State tournament which will resume Thursday night at Memorial Auditorium.

The players either perform now with college fives or were former stars.

Here's Thursday's Slate For Tri-State

Game No. 13

7:30—St. Paul Sports of Cleveland vs. Midland USW

Game No. 14

8—Freed's and Pete's vs. Alex's Carry Out-American Billiards (ELO).

Game No. 15

9:30—Gengarella's (Midland) vs. Scafide's (ELO)

Game No. 16

10:00—Joe's All-Stars (Akron) vs Lee Stockton Collegians (Canton)

Among the schools represented are Geneva, Duquesne, West Virginia Wesleyan, St. Francis, Louisville, Marshall, Kent State, Akron, John Carroll, Baldwin-Wallace, Clemson, Cincinnati, Pitt and Youngstown.

—:—

GENEVA College has produced more players than any other school in the Tri-State tourney this year. Cliff Aultman's varsity team is performing for Freed's and Pete's, while the Midland USW lists several former Geneva stars in Stan Yukich, Bill Swogger, Len Clark, Otto Pirchard and Bill Blair, along with Don Schena from this year's squad.

Duquesne cagers include Red Ryan and Bernie Matthews, both of whom made a fine impression here Saturday night.

Ryan and Matthews perform for Gengarellas, a team which boasts two St. Francis stars in Don Falenski and Jack O'Malley and Herb Lake and Beanie Gordon of Youngstown University.

A former Duquesne star, Jim Tucker, is performing with Alex's Carry-Out-American Billiards team. Tucker starred with Dick Ricketts at the Pittsburgh school. West Virginia Wesleyan is represented by O'Toole, who also is a member of the Alex's-Billiard combine.

—:—

SCAFIDE'S list two Pitt cagers in Dave Sawyer, who was a regular with the Panthers this past season, and Dick Woznicki, who played during the 1957-58 season.

In addition to this pair, Scafide's show Nick Cutich of Clemson and Zinke of Cincinnati University.

Joe's All-Stars have a collection of former collegiate stars, with Jerry Doupont of Louisville, Percy Grenfell and Edmonds of Kent State and their standout, Wally Walowac of Marshall College, and others from Akron University.

Paul James, the former East Liverpool and Baldwin - Wallace star, is playing with the Lee Stockton Collegians of Canton.

St. Paul's Sports list several cagers who performed at East Tech High School, but don't boast of any college talent in their lineup.

A four-game card will get under way at 7:30 Thursday night when eight teams will battle for spots in Friday's semi-final round.

The first game tomorrow night has St. Paul Sports going against Midland USW.

Three other top games are billed, with Freed's and Pete's meeting Alex's Carry-Out - American Billiards in another showdown at 8.

The 9:30 game pits Gengarella's, the tourney favorite, against Scafide's, while Joe's All-Stars battle Lee Stockton Collegians in the final game at 10.

After Thursday's action, only four semi-finalists will remain. Semi-finals and finals will be run off Friday night.

Celtics Make It 3 Straight

ST. PAUL, Minn. (AP) — The Boston Celtics, perhaps the greatest basketball team ever assembled, were on the threshold today of a precedent-breaking sweep of the National Basketball Assn. title playoffs.

The Celts whipped the Minneapolis Lakers 123-110 here Tuesday night for their third straight victory. A repeat in Minneapolis Thursday night would make Boston the first team in the NBA's nine-year history to win the championship series in four straight.

"Why be modest about it," smiled Celtic Coach Red Auerbach "this is a great team."

He got no argument on that from the Lakers after the Celtics breath-taking show of power Tuesday night.

There was glory in it for all of the Celtic reliables but especially Bill Sharman, Bob Cousy and Bill Russell.

Sharman, the 32-year-old mechanical man, flicked six foul shots in as many tries and thus ran his consecutive free throw mark to 56, breaking the NBA record of 55 Bill set three years ago.

Cousy once more was the whirlwind playmaker, steering the Celtics fast break with spectacular dribbling, passing and headwork.

Russell hauled in 30 rebounds, bringing his total for the three games to 88.

The Lakers' task now is all but hopeless. They have to win four in a row against a team that was good enough to win 52 of 72 regular season games.

Columbia's coaching staff has its ups and downs. Basketball Coach Archie Oldham is 6-foot-8 while crew Coach Donald Rose is 5-foot-2.

'Shooting For Pennant,' Giant Prexy Declares

SAN FRANCISCO (AP) — President Horace Stoneham of the San Francisco Giants, looking forward to Friday's opening game with unhidden anticipation, declared:

"Certainly we're shooting for the pennant. We've been shooting for it since last fall. Most of the clubs in our league have added strength, but I think we improved ours more than the other seven."

The Giants, who finished a surprising third in their first National League campaign, open in St. Louis and then come West for their first home game April 14 against the Chicago Cubs. That's been a sellout since tickets became available.

"It may be strange to say, but our ticket requests this year are greater than last year," Stoneham commented. "And we were very happy with attendance in 1958. We should draw 1,300,000 even if we stay in Seals Stadium."

Last season in the park with a capacity of only about 23,000, the Giants had 1,272,625. Hopes are they'll be in their new Candlestick Park at least by Sept. 1.

Stoneham sees an edgy feeling throughout the organization, explaining, "we feel we have a good chance to win the pennant so everybody is anxious to get started."

Washington Drops 'W', 'Senators' On Suits

WASHINGTON (AP) — The Washington Senators will have at least one new ingredient when they open the 1959 baseball season Thursday.

For the first time since Walter Johnson's day, the Senators will have a new style of uniforms. Instead of a "W", the new uniforms have "Senators" in front. On each sleeve is a caricature of a senator, complete with white hair, string tie and 10-gallon hat.

Tehran is the capital of Iran.

Perry Or Bell To Get Opener

OMAHA (AP) — Rookie Jim Perry or Gary Bell will be the opening-day pitcher for the Cleveland Indians in Kansas City Friday, but Manager Joe Gordon says he may not decide which it will be until "the morning of the game."

Gordon had named Bell as his choice, but the 22-year-old right-hander has been hit hard by the San Francisco Giants in his last two exhibition starts. Perry has been one of the Tribe's most effective pitchers this spring.

The manager said southpaw Herb Score, who he plans to start in the home opener at Cleveland Tuesday, will be in the bullpen Friday.

The Indians took a 3-2 decision from the Giants at Des Moines, Iowa Tuesday. It was the Tribe's first victory since last Thursday.

Jim (Mudcat) Grant, who was in the Army when spring training started, made his first mound appearance of the year and received credit for the victory. He allowed one hit and struck out two batters in the one inning he pitched.

Potters' 13-Hit Attack Whips Toronto, 11-4

Kapp Whiffs 14 Batters In First Win For Locals

The East Liverpool Potters, held to one hit in their opener Monday, flexed their muscles for 13 safeties and an 11-4 victory Tuesday afternoon at Toronto.

The win was the first in two starts for Coach Ray Peduzzi's team while the game served as the opener for Toronto.

Mike Kapp, considered the ace of the Potters' mound staff, picked up the victory. Kapp pitched a tight game for six innings before running into trouble in the seventh.

He struck out 14 batters and allowed only two hits over six frames but wildness proved his downfall in the late innings.

Jimmy Miles, a little righthander hurler with something on the ball, was called on in the seventh to aid Kapp and turned in a fine bit of relief pitching.

Miles came in with men on base and promptly struck out two batters to end the game.

East Liverpool's 13-hit attack was paced by sophomore Kenny Miller who stroked three singles in five trips to the plate.

Helping out in the attack were Cookie Goodballet with two hits, including a double, and Dave Zelch and Dave Goodballet with two hits apiece.

The Potters' big inning came in the sixth when they pushed across four runs, but prior to that had scored two runs in the third and fourth innings.

As an added measure, East Liverpool tallied three more runs in the seventh frame.

Five errors in the field didn't help Toronto in its first test of the season. The Red Knights scored single runs in the fourth and sixth innings and two in the seventh.

John Bucey was the losing hurler and was nicked for six of the 13 hits in five innings. He was relieved by Wadas in the fifth.

East Liverpool will go after its second straight victory Thursday at Chester.

Shaw Fans 17 In Chester's Opener

Panthers Collect Nine Hits In 6-1 Win Over Braves

Veteran Don Shaw set down 17 Beaver Local hitters on strikes as Chester opened its 1959 baseball season with a 6-1 victory Tuesday afternoon at City Park.

The righthander scattered five hits in going the distance while his teammates backed him up with nine safeties.

Chester jumped off to a 2-0 lead in the first inning. Coach Dom Amedeo's team scored single runs in the third and fourth innings and then added a pair in the sixth.

Beaver Local scored its lone run in the fifth inning, but a neat pickoff play going from Shaw to second baseman Bob McMahon stamped out the visitors' rally.

Four Panther stalwarts collected two hits apiece including McMahon, Pep Daugherty and Johnny Steele while Shaw helped his own cause with a pair of safeties.

McMahon, Steele and Shaw each connected for doubles.

George Sachs was the losing pitcher and was relieved by Shallenberger.

Coach Bobbie Bush's Beaver Local team committed seven errors Tuesday while Chester showed only one miscue.

The Panthers bounce back into action today at Weirton Madonna.

Eddie Perkins To Meet Armstead In TV Bout

CHICAGO (AP)—Eddie Perkins of Chicago and Paulie Armstead of Los Angeles, a pair of young lightweights hoping to earn a shot at champion Joe Brown, clash tonight in Chicago Stadium.

The 10-round bout will be scored under the five-point must system.

It will be nationally televised by ABC, 10 p.m. EST.

Armstead, with 12 knockouts to his credit, is a 2-1 favorite. This is based mainly on his upset victory over Philadelphia's Len Matthews last January in Hollywood, Calif.

Perkins, who won 40 of 46 amateur bouts, has a 13-5 pro record including 4 knockouts.

Armstead, who has been inactive since the Matthews fight to let a cut eye heal, has a 24-4-1 mark.

Two Contests Open 1959 Baseball Slate Thursday

By ED WILKS
Associated Press Sports Writer

The exhibition schedule slid into the background today as major league baseball made a final dry run before Thursday's traditional regular season openers at Cincinnati and Washington.

The early opening, designed to fatten the kitty by squeezing an extra weekend into the majors schedules, starts a second century of baseball in the nation's capital with the Baltimore Orioles facing the Senators before an expected 25,000.

Vice President Nixon will toss out the first ball in the absence of President Eisenhower. Ike prefers golf.

The predicted close National League race gets off to a running start with Pittsburgh's pennant primping Pirates playing the dark-horse Reds.

That one also gives an expected crowd of 32,000 Cincinnati fans a quick appraisal of the winter deal that sent power-hitting third baseman Frank Thomas to the Reds for catcher Smoky Burgess, third baseman Don Hoak and lefty Harvey Haddix.

All of the clubs are scheduled to get rolling Friday. In the American League, the world champion New York Yankees open Manager Casey Stengel's expected romp to a record-tying 10th pennant with a home debut against the Boston Red Sox. The Chicago White Sox are at Detroit and the Cleveland Indians are at Kansas City.

Friday's National League schedule sends the defending champion Milwaukee Braves to Pittsburgh and Los Angeles to Chicago in afternoon games while San Francisco is at St. Louis and Cincinnati at Philadelphia in a pair of night openers.

A bevy of front line pitchers got in their final warm ups in Tuesday's exhibitions. Left - hander Johnny Antonelli, who'll open for the Giants, pitched a scoreless three innings and gave way to Mike McCormick, who continued the shutout string until Cleveland unloaded three runs with two out in the ninth for a 3-2 victory at Des Moines.

Brooks Lawrence and Hal Jeffcoat kept the Yankees in check as the Reds beat the champs 3-2 on Gus Bell's 10th inning home run at Savannah. Moe Drabowsky returned from the injured list and pitched nine innings for the Chicago Cubs, but Morrie Martin got the decision when the Bruins scored twice in the 11th for an 8-7 victory over the Red Sox at Victoria, Tex.

The Braves' were blanked for six innngs by the Dodgers' Don Drysdale, Clem Labine and Art Fowler, then beat Los Angeles 5-4 with two in the ninth off rookie Gene Snyder. Los Angeles got its four in the first off Bob Buhl before a crowd of 12,203 at Jacksonville, Fla.

The exhibition tour reached a major league park at Baltimore and the Orioles beat the Phillies 5-3, scoring all their runs in the first inning off Ruben Gomez, who gave up a grand-slam to Gus Triandos.

Barry Latman and Bob Shaw were touched for 15 hits, but breezed as the Chicago White Sox walloped Nashville 20-10 in the Southern Assn. club's park.

Potter-Wellsville Track Meet Set Today

East Liverpool and Wellsville will clash in a duel track meet today at 4:15 at Patterson Field. The meet will mark the first of the season for the Potter thinclads under Coach Bob Hedmond.

Cottier Could Help Braves At 2nd Base

JACKSONVILLE, Fla. (AP) — Chuck Cottier, who cost the Milwaukee Braves a telephone call and a stamp, was added to the team's official roster Tuesday. And he could be one of the biggest bargains in organized baseball.

"Maybe I could have had a bonus when I joined the organization four years ago," the rookie said, "but I accepted before he changed his mind."

The "he" was Walt Widmayer, then scouting for Atlanta and now with the parent club.

Widmayer got wind of Cottier's potential abilities as a baseball player and decided to send him a contract.

At the time, Cottier didn't know that he was a free agent and in a position to pick for himself. Originally with Baltimore, he was put on his own when the Orioles did not give him a 1955 contract.

Cottier telephoned Widmayer and agreed to sign the contract.

Manager Fred Haney has since indicated that even though Cottier is a rookie, he shows all the possibilities of working out as a top second baseman.

So far, Haney has been alternating Cottier with Felix Mantilla.

Toronto Gains Final Playoffs

BOSTON (AP)—Toronto's deadline kids, bent on becoming a team of destiny, confidently eyed powerful Montreal today for a showdown for hockey's coveted Stanley Cup in the first all-Canadian championship playoff since 1951.

"We're going to win the whole thing," said Coach Punch Imlach.

The Maple Leafs capped their tremendous drive which has amazed the hockey world by edging the Boston Bruins 3-2 Tuesday night to capture their semifinal series which went the limit of seven games.

Imlach, who became manager of Toronto a year ago, assumed a dual role as coach in midseason when the Leafs were the National Hockey League doormat.

Under his guidance, the club finally found itself and sneaked into the playoffs on the last day of the regular season.

Tuesday night rookie Gerry Ehman provided the series' clinching goal at 17:27 of the final period.

The Leafs will meet Montreal on the Canadiens' home ice in their best-of-seven series opener Thursday. The second game will be in Montreal Saturday before the teams head for Toronto and the next two meetings.

McMillan Fit, Rejoins Reds

INDIANAPOLIS (AP) — Little Roy McMillan rejoins the Cincinnati Reds here today, determined to show he's fit for Thursday's National League opener.

The lean, bespectacled shortstop wrenched his shoulder in a collision Sunday during an exhibition game in Florida.

The Reds shipped him to Cincinnati for medical study. But after X-rays, the doctors said Tuesday he may be able to play Thursday.

Utility man Eddie Kasko played shortstop Tuesday as the Reds picked up a 10th inning 3-2 exhibition victory over New York's Yankees in Savannah, Ga.

McMillan batted only .229 last season, but no National League shortstop currently in practice can match his skills in the field in recent years.

He committed only 14 errors last year—tying a major league record. It was the third year in a row he was top league shortstop in fielding.

The Reds' final exhibition game before the opener comes here today against Chicago's White Sox. Rookie Jim O'Toole starts on the mound.

Novelty Archery Shoot Will Be Held Sunday

LISBON — A novelty archery shoot will be held Sunday at 1 p. m. by the Columbiana County Archers Club at Willow Grove Park, west of Lisbon, according to Paul Brownlee, president.

The club's annual early bird shoot will be held Sunday, May 17, at the Willow Grove range. This event will be a pre-registered shoot this year.

State School Board Faces 3 Chief Problems Monday

COLUMBUS, Ohio (AP) — The agenda for Monday's monthly meeting of the State Board of Education reflects three of the foremost problems confronting Ohio educators — money, school-building and educational standards.

State Supt. E. E. Holt will tell the board that—as he warned in Feburary—the state is going to be about 5½ million dollars short in making school foundation program payments next month.

The payments, made four times a year, help equalize educational opportunities across the state. The money pays a considerable part of the operating cost of public schools.

Holt says a supplemental appropriation of $5,450,000 is needed, and the state superintendent will be asking the state board to back him up on this.

The superintendent will also tell the board that a second school has nearly completed the 38 steps needed to qualify for its share in the 150 million dollar bond issue approved by Ohio voters in 1955.

Tallmadge in Summit County was the first and Kenston Local School District in Geuaga County has reached the 34th step — bid opening and award of construction contracts (by the state board).

In a continuing campaign to make sure minimum state standards are met, Holt is asking revocation of the charters of two more high schools—Lore City in Guernsey County enrollment of 41 and South Bloomfield in Morrow County (66).

Attorney-referee Hugh E. Kirkwood of Columbus and Marion is presently conducting hearings for 13 high schools which appealed an earlier revocation ruling. Twenty schools are involved, but six did not appeal and one withdrew.

Kirkwood's report—and written objections from Quincy Local High School of Logan County—will also be noted Monday.

Six other schools are attempting to meet standards and should have their charters continued for the present, Holt's recommendation says. They are Bennington of Morrow, Miami Trace of Fayette, York and Hoaglin-Jackson of Van Wert, Hannan Trace of Gallia and Black River of Medina.

Malone College in Canton has met conditions of continued and increased financial support (from the Timken foundation) and appropriate curriculum revisions, Holt said, and he will recommend that courses leading to the bachelor degree be continued to June 30, 1960.

Canton Area Painters Issue Strike Warning

CANTON, Ohio (AP) — Union painters have warned Canton area contractors they will strike Monday unless they receive a 10-cent-an-hour pay increase.

The ultimatum was supported Tuesday night by about 85 per cent of the 450 union painters in this area. The painters met after their demand was turned down by the Construction Council of Stark County, Inc., a group of building contractors.

The painters' contract with the contractors expired April 1.

Wage Pact Ratified

CLEVELAND (AP) — A new wage agreement covering 2,600 employes of the Cleveland Electric Illuminating Co. was ratified Tuesday night by members of Utility Workers Union Local 270. The agreement provides wage increases ranging from 8½ to 15 cents an hour for various job classifications. It also provides for additional hikes of 5½ cents an hour for wood pole linemen, trouble linemen and linemen leaders in the Cleveland district. A union spokesman said the wage boosts raise the average rate to $2.72 an hour.

Freak Hotel Mishap Injures Orioles' Klaus

BALTIMORE (AP) — A freak hotel room accident may force a change in the starting lineup for the Baltimore Orioles Thursday in Washington.

Infielder Billy Klaus had his side strapped Thursday after X-rays showed he suffered a hairline rib fracture Monday night when he slipped on a bathroom floor and jammed his side against a wash basin.

RESOLUTION NUMBER 4, 1959

RESOLUTION DECLARING IT NECESSARY TO IMPROVE PARTS OF BEECHWOOD STREET, CAMP ALLEY, CENTER STREET, DIVISION ALLEY, REYNOLDS STREET, HUTTON ALLEY, HAYWOOD STREET, VERNIA STREET AND BROAD STREET BY CONARY SEWER OF HARD BURNED VITRIFIED SEWER PIPE.

BE IT RESOLVED by the Council of the City of East Liverpool, State of Ohio (Three-fourths of all members elected thereto concurring):

SECTION 1. That it is necessary to improve Haywood Street from a point in front of Lot 36 east to a point in front of Lot 407; Camp Alley from a point in back of Lot 128 east to a point in back of Lot 406; Center Street from a point in front of Lot 129 east to a point in Division Alley; Division Alley from a point in Camp Alley north to a point in Center Street; Reynolds Street from a point in front of Lot 232 east to a point in Beechwood Street; Buxton Alley from a point in back of Lot 233 east to a point in Beechwood Street; Beechwood Street from a point in front of Lot 1 east to a point in Vernia Street; Vernia Street from a point in front of Lot 16 north to a point in Beechwood Street and Broad Street from a point in Haywood Street north to a point in Beechwood Street by constructing therein a sanitary sewer of hard burned vitrified sewer pipe, together with all necessary manholes, flush tanks, branch connection, and doing everything else necessary or essential for the proper completion of said improvement in accordance with the plans, specifications, estimates and profiles hereinafter mentioned.

SECTION 2. That it is hereby determined that the streets, alleys or parts thereof, above set forth in Section 1 to be so improved are so situated in relation to each other that in order to complete the improvement thereof in the most practical and economical manner the same should be improved at the same time, with the same kind of materials and in the same manner.

SECTION 3. That the grade of said sewer shall be shown on said plans, specifications and profiles, which are by reference made a part hereof.

SECTION 4. That the plans, specifications, profiles and estimates of said proposed improvement, heretofore prepared by the City Engineer and now on file in the office of the Director of Public Service, where the same are open for public inspection, be, and the same are hereby approved.

SECTION 5. That the whole cost of said improvement, less one-fiftieth and the costs of intersections, shall be assessed by the foot front upon the following described lots (all of said property to be assessed being subdivided into lots and all assessed for taxation) to-wit: All lots bounding and abutting on the south side of Haywood Street, the south side of Camp Alley, the south side of Center Alley, the south side of Reynolds Street, the south side of Buxton Alley, the west side of Vernia Street, Division Alley, Beechwood Street and Broad Street between the points hereinabove set forth a n d described, which said lots are hereby determined to be specially benefitted by said improvement; and the cost of said improvement shall include the expense of the preliminary and other surveys and of printing and publishing the notices, resolutions and ordinances required, and the serving of said notices, the cost of construction, together with interest on notes and bonds issued in anticipation of the collection of deferred assessments and all other necessary expenditures.

SECTION 6. That the assessments so to be levied shall be paid in five annual installments, with interest on deferred payments at the same rate as shall be borne by the bonds to be issued in anticipation of the collection thereof; provided, that the owner of any property assessed may, at his option, pay such assessment in cash within thirty days after the passage of the assessing ordinance.

SECTION 7. That bonds of the City of East Liverpool shall be issued in anticipation of the collection of assessments by installments and in an amount equal thereto; and notes of said city shall be issued in anticipation of the issue of such bonds.

SECTION 8. That the remainder of the entire cost of said improvements, not specially assessed, including the cost of intersections, together with the cost of any real estate or interest therein, purchased or appropriated, and the costs and expenses of any appropriation proceeding therefor, and the damages awarded any owner or adjoining lands and interest thereon, and the costs and expenses of any such award, shall be paid by the issuance of bonds in the manner provided by law.

SECTION 9. That said improvement has been found by Council to be, and is hereby declared to be, conducive to and necessary for the public health, convenience and welfare.

SECTION 10. That this Resolution shall take effect and be in force from and after the earliest period allowed by law.

Passed this 16th day of March, 1959.

DiSalle's Liquor Plan Hit As 'A Grab For Power'

By DUANE CROFT
Review Staff Correspondent

COLUMBUS — A liquor industry spokesman charged Tuesday that Gov. Michael V. DiSalle's proposal to revise the Board of Liquor Control is a "ripper" bill that would set the department director up as a "czar."

Isadore Topper, long-time lobbyist for the Buckeye Retail Liquor Dealers Assn., told the House Liquor Control Committee that the measure to strip the board down to a review body is "a grab for power."

All administrative authority now in the hands of the board would be turned over to the director under the terms of the bill.

—:—

DiSALLE and his liquor director, Richard C. Crouch of Dayton, insist that the administration should have such authority because it is held responsible for the state's liquor policy.

Crouch told the same committee last week that the public fails to distinguish between the board and the Department of Liquor Control, which he heads. Consequently, he said, the department is frequently blamed for the board's actions which do not meet with public approval.

But Topper said the legislation is not needed and could even be dangerous.

"One man is to be the Czar or ultimate authority in the administration of all the powers and responsibilities placed upon the Department of Liquor Control by the legislature, which includes operating a state liquor monopoly doing 225 million dollars of business annually," he said.

"The director will have the power to issue, suspend, cancel or revoke permits; to make rules and regulations; to fix prices; to enforce. . .the act as well as the provisions."

—:—

TOPPER also charged that the individual who is director "may be less experienced to exercise such power than a board which always has at least two members" who are experienced in the workings of the department.

The lobbyist, who represents many permitholders in their appearances before the board, then gave the committee a section-by-section "analysis" of the legislation with this criticisms.

He charged that the bill would repeal the present requirement that all records of the board be open to the public and criticized the proposal that court appeals be heard in the counties where the permitholder does business.

Present law puts all such appeals in Franklin County Common Pleas Court.

"This bill. . .gives to one man alone the power to determine whether an industry. . .is to have stability or whether it is to be subject to the personal ideas of the reigning director," Topper charged. "At most, it is a grab for power."

—:—

DiSALLE'S measure would leave with the board all its judicial authority and would change its name to liquor board of review in an effort to distinguish between its functions and those of the department.

Crouch asserted last week that the bill simply places administrative authority where it properly belongs without depriving members of the liquor industry of any of the rights of appeal which they now hold.

Before Topper's appearance, the bill's sponsor, Rep. Norman Fuerst (D-Cleveland), told the committee that the proposal is "not a trial balloon."

He said it would organize the liquor department along the same lines as the present Bureau of Workmen's Compensation, Bureau of Unemployment Compensation and the Taxation Department.

Chester Mayor Enters Hospital With Illness

Mayor Burton Ward of Chester is in "fair" condition today at City Hospital, where he was admitted Tuesday night after becoming ill at the Masonic Temple.

Mayor Ward, of Phoenix Ave., attended a Kiwanis Club meeting then went to a meeting of the Chester lodge where he became ill, and was removed to the hospital by ambulance. Diagnostic tests are slated today.

City Clerk Roy Cashdollar will serve as acting mayor during the absence of Mayor Ward.

Hillcrest Area Valuation Set At $4,486,873

The Columbiana County Board of Education set the valuation of the Hillcrest area, which was transferred into the Wellsville School District, at $4,486,873 at its meeting Tuesday night at Lisbon.

Real estate was listed at $394,380, personal property, $19,954, and utility, $72,539.

This represents 8.34 per cent of the total valuation of the Southern Local School District of $5,833,971.

Supt. James L. McBride said the district fiscal year does not end until June 30 and fiscal reports cannot be made until that time. The fiscal distribution will be made as soon as reports are available and will be based on 8.34 per cent of the funds and indebtedness of the Southern Local District.

Supt. McBride said that the county schools are reviving track and field day for 7-8 grades and will again have a junior softball tournament this year.

Loren Ruff, elementary consultant, and Mrs. Marilyn Solak, high school consultant, reported on the spring meeting of the Ohio Association of County Supervisors held last week at Columbus. Ruff also reported on the progress of testing programs. Mrs. Solak reported on the North-East Ohio County Supervisors meeting held in Canton March 25. Ruff is president and Mrs. Solak secretary.

The county board and local boards in the county system will hold their annual meeting at 8 p. m. April 23 at Salineville High School.

Marcus McEvoy, superintendent of Austintown Fitch High School, will be the guest speaker. He will discuss Russia, which he visited last summer.

Supt. McBride said a slow learners class will be held at Beaver Local and Fairfield - Waterford Schools next term.

Mrs. Solak invited county board members to attend the Columbiana County Education Association banquet to be held Wednesday, April 15, at Beaver Local School.

The next meeting will be May 19 at 8 p. m.

Traffic Safety Bill Endorsed By Lawrence

HARRISBURG — The Lawrence Administration Tuesday bowed to legislative will and endorsed a tough point system of penalties for highway safety violations.

Gov. David L. Lawrence, by his endorsement, backed down on his demand that a new code of traffic laws provide for suspension of drivers licenses upon the first offense of speeding.

The legislation went into the Senate yesterday with the bi-partisan sponsorship of Democratic Senators William J. Lane, of West Brownsville, and Frank W. Ruth, of Berks County, and Republican Senators James S. Berger, of Coudersport, Senate majority leader, and Thomas A. Ehrgood, of Lebanon.

The bill provides a complicated table of point-accumulation, with ten points, run up within three years, making a year's suspension mandatory.

Twenty-five points accumulated within five years would mean lifetime revocation of driving privileges. But ten points accumulated within five years, would bring only a three-month suspension.

Automatic ten - point penalties, with one-year suspensions, would be applied in all cases of drunken driving, hit-and-run, racing on the highways or attempting to avoid arrest by turning out lights.

Lesser suspension periods would accumulate as follows:

15 days for four points within three years. After a warning for the initial three-point penalty.

30 days for five points within three years.

60 days for six points.

90 days for seven points.
